Item 1.01. Entry into a Material Definitive Agreement.

On March 11, 2016, Xylem Inc. (the “Company”) closed its public offering (the “Offering”) of €500,000,000 aggregate principal amount of 2.250% Senior Notes due 2023 (the “notes”). In connection with the closing of the Offering, the Company entered into a senior indenture and a first supplemental indenture (together, the “Base Indenture”), each dated as of March 11, 2016 with Deutsche Bank Trust Company Americas, as trustee. The notes were issued pursuant to the Base Indenture, as supplemented by a second supplemental indenture, dated as of March, 11 2016 (the “Second Supplemental Indenture” and together with the Base Indenture, the “Indenture”), by and between the Company and Deutsche Bank Trust Company Americas, as trustee.

The notes will bear interest at the rate of 2.250% per year and will mature on March 11, 2023. Interest on the notes will be payable annually on March 11 of each year beginning on March 11, 2017. The notes will be the Company’s senior unsecured obligations and will rank equally with the Company’s other unsecured and unsubordinated indebtedness.

The Company may redeem the notes at any time at its option, subject to certain conditions, at specified redemption prices, plus accrued and unpaid interest to the redemption date. In addition, the Company may redeem the notes, in whole, but not in part, at any time at its option, at par plus accrued and unpaid interest and additional amounts to, but not including, the date fixed for redemption, in the event of certain developments affecting United States taxation. The Indenture contains customary agreements and covenants by the Company. These covenants limit the ability of the Company and its restricted subsidiaries (i) to incur debt secured by liens on certain property above a threshold, (ii) to engage in certain sale and leaseback transactions involving certain property above a threshold and (iii) to consolidate or merge, or convey or transfer all or substantially all of the their assets. If the Company experiences certain changes of control accompanied or followed by rating downgrades during a specified period, the Company will be required to make an offer to repurchase the notes at a purchase price equal to 101% of the aggregate principal amount of such notes, plus accrued and unpaid interest to the repurchase date.

The foregoing description of the notes and the Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the notes and indenture documents, forms or copies of which are attached as exhibits to this Current Report on Form 8-K and are incorporated herein by reference.

The notes have been registered under the Securities Act of 1933, as amended, by a registration statement on Form S-3 (File No. 333-207672), including a base prospectus (the “Registration Statement”), filed with the Securities and Exchange Commission (the “SEC”) on October 29, 2015, as supplemented by a preliminary prospectus supplement, filed with the SEC on March 4, 2016, and a final prospectus supplement, filed with the SEC on March 8, 2016. This Current Report on Form 8-K is incorporated by reference into the Registration Statement.

The Company has applied to list the notes on the New York Stock Exchange.

(a) Any request, demand, authorization, direction, notice, consent, waiver, or other action provided by this Indenture to be given or taken by Securityholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Securityholders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and (if expressly required by the applicable terms of this Indenture) to the Company. If any Securities are denominated in coin or currency other than that of the United States, then for the purposes of determining whether the Holders of the requisite principal amount of Securities have taken any action as herein described, the principal amount of such Securities shall be deemed to be that amount of United States dollars that could be obtained for such principal amount on the basis of the spot rate of exchange

into United States dollars for the currency in which such Securities are denominated (as evidenced to the Trustee by a certificate provided by a financial institution, selected by the Company, that maintains an active trade in the currency in question, acting as conversion agent) as of the date the taking of such action by the Holders of such requisite principal amount is evidenced to the Trustee as provided in the immediately preceding sentence. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Securityholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section 1.04.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness to such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or a member of a partnership, on behalf of such corporation or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The ownership of Securities shall for all purposes be determined by reference to the Security Register, as such register shall exist as of the applicable date.

(d) If the Company shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other action, the Company may, at its option, by Board Resolution, fix in advance a Record Date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other action, but the Company shall have no obligation to do so. If such Record Date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other action may be given before or after such Record Date, but only the Holders of record at the close of business on such Record Date shall be deemed to be Holders for the purpose of determining whether Holders of the requisite proportion of Securities Outstanding have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other action, and for that purpose the Securities Outstanding shall be computed as of such Record Date; provided that no such authorization, agreement or consent by the Holders on such Record Date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after such Record Date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Security shall bind each subsequent Holder of such Security, and each Holder of any Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, with respect to anything done or suffered to be done by the Trustee or the Company in reliance upon such action, whether or not notation of such action is made upon such Security.

Section 1.05 Notices, etc., to Trustee and Company. Any request, order, authorization, direction, consent, waiver, or other action to be taken by the Trustee, the Company, or the Securityholders hereunder (including any Authentication Order), and any notice to be given to the Trustee or the Company with respect to any action taken or to be taken by the Trustee, the Company, or the Securityholders hereunder, shall be sufficient if made in writing and:

Section 1.06 Notice to Securityholders; Waiver. Where this Indenture or any Security provides for notice to Securityholders of any event, such notice shall be sufficiently given (unless otherwise expressly provided herein or in such Security) if in writing and mailed, first-class postage prepaid, to each Securityholder affected by such event, at his or her address as it appears in the Security Register as of the applicable Record Date, not later than the latest date or earlier than the earliest date prescribed by this Indenture or such Security for the giving of such notice. In any case where notice to Securityholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Securityholder shall affect

the sufficiency of such notice with respect to other Securityholders. Where this Indenture or any Security provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Securityholders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or otherwise, it shall be impractical to mail notice of any event to any Securityholder when such notice is required to be given pursuant to any provision of this Indenture or the applicable Security, then any method of notification as shall be satisfactory to the Trustee and the Company shall be deemed to be sufficient for the giving of such notice.

Section 1.07 Conflict with Trust Indenture Act. If any provision hereof limits, qualifies or conflicts with another provision hereof which is required to be included in this Indenture by any of the provisions of the TIA, such required provision shall control.

Section 1.08 Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents hereof are for convenience only and shall not affect the construction of any provision of this Indenture.

Section 1.09 Successors and Assigns. All covenants and agreements in this Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

Section 1.10 Separability Clause. In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 1.11 Benefits of Indenture. Nothing in this Indenture or in any Securities, express or implied, shall give to any Person, other than the parties hereto, their successors hereunder, the Authenticating Agent, the Security Registrar, any Paying Agent, and the Holders of Securities (or such of them as may be affected thereby), any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 1.12 Governing Law. This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York. EACH OF THE PARTIES HERETO AND EACH HOLDER OF A SECURITY BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING AMONG THE PARTIES HERETO ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 1.13 Counterparts. This instrument may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original, but all of which shall together constitute but one and the same instrument.

Section 1.14 Judgment Currency. The Company agrees, to the fullest extent that it may effectively do so under applicable law, that (a) if for the purpose of obtaining judgment in any court with respect to the Securities of any series it is necessary to convert the sum due in respect of the principal, premium, if any, or interest, if any, payable with respect to such Securities into a currency in which a judgment can be rendered (the “**Judgment Currency**”), the rate of exchange from the currency in which payments under such Securities is payable (the “**Required Currency**”) into the Judgment Currency shall be the highest bid quotation (assuming European-style quotation—i.e., Required Currency per Judgment Currency) received by the Company from three recognized foreign exchange dealers in the City of New York for the purchase of the aggregate amount of the judgment (as denominated in the Judgment Currency) on the Business Day preceding the date on which a final unappealable judgment is rendered, for settlement on such payment date, and at which the applicable dealer timely commits to execute a contract, and (b) the Company’s obligations under this Indenture to make payments in the Required Currency (i) shall not be discharged or satisfied by any tender, or by any recovery pursuant to any judgment (whether or not entered in accordance with the preceding clause (a)), in any currency other than the Required Currency, except to the extent that such tender or recovery shall result in the actual receipt by the judgment creditor of the full amount of the Required Currency expressed to be payable in respect of such payments, (ii) shall be enforceable as an alternative or additional cause of action for the purpose of recovering in the Required Currency the amount, if any, by which such actual receipt shall fall short of the full amount of the Required Currency so expressed to be payable, and (iii) shall not be affected by judgment being obtained for any other sum due under this Indenture.

Section 1.15 Legal Holidays. In any case where any Interest Payment Date, Redemption Date, Repayment Date or Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities) payment of interest or principal (and premium, if any) need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date, Redemption Date, Repayment Date or at Maturity; provided, that no interest shall accrue for the period from and after such Interest Payment Date, Redemption Date, Repayment Date or at Maturity, as the case may be.

If all of the Securities issuable by or pursuant to any Board Resolution are not to be issued at one time, it shall not be necessary to deliver the Officers' Certificate and Opinion of Counsel required by Section 3.03 hereof at the time of issuance of each such Security, but such Officers' Certificate and Opinion of Counsel shall be delivered at or before the time of issuance of the first such Security.

If any series of Securities shall be established by action taken pursuant to any Board Resolution, the execution by the officer or officers authorized by such Board Resolution of an Authentication Order with respect to the first Security of such series to be issued, and the delivery of such Authentication Order to the Trustee at or before the time of issuance of the first Security of such series, shall constitute a sufficient record of such action. Except as otherwise permitted by Section 3.03, if all of the Securities of any such series are not to be issued at one time, the Company shall deliver an Authentication Order with respect to each subsequent issuance of Securities of such series, but such Authentication Orders may be executed by any authorized officer or officers of the Company, whether or not such officer or officers would have been authorized to establish such series pursuant to the aforementioned Board Resolution.

Unless otherwise provided by or pursuant to the Board Resolution or supplemental indenture creating such series (i) a series may be reopened for issuances of additional Securities of such series, provided that if the additional Securities of such series are not fungible with the Securities in such series for U.S. federal income tax purposes such additional Securities will have a separate CUSIP number and (ii) all Securities of the same series shall be substantially identical, except for the initial Interest Payment Date, issue price, initial interest accrual date and the amount of the first interest payment.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

The material terms of such Securities shall be determinable by reference to such Authentication Order and procedures. If provided for in such procedures, such Authentication Order may authorize authentication and delivery of such Securities pursuant to oral instructions from the Company or its duly authorized agent, which instructions shall be promptly confirmed in writing. In authenticating such Securities and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to the provisions of Section 6.01 hereof) shall be fully protected in relying upon:

- (1) an executed supplemental indenture, if any;
- (2) an Officers’ Certificate, certifying as to the authorized form or forms and terms of such Securities; and
- (3) an Opinion of Counsel, stating that:

(a) the form or forms and terms of such Securities have been established by and in conformity with the provisions of this Indenture; provided, that if all such Securities are not to be issued at the same time, such Opinion of Counsel may state that such terms will be established in conformity with the provisions of this Indenture, subject to any conditions specified in such Opinion of Counsel; and

(b) such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, enforceable against the Company, in accordance with their terms, subject to bankruptcy, insolvency, moratorium, reorganization, and other laws of general applicability relating to or affecting the enforcement of creditors’ rights and to general principles of equity;

provided, however, that if all Securities issuable by or pursuant to a Board Resolution or supplemental indenture are not to be originally issued at one time, it shall not be necessary to deliver the Officers’ Certificate or Opinion of Counsel otherwise required pursuant to this paragraph at or prior to the time of authentication of each such Security if such documents are delivered at or prior to the time of authentication upon original issuance of the first such Security to be issued. After the original issuance of the first such Security to be issued, any separate request by the Company that the Trustee authenticate such Securities for original issuance will be deemed to be a certification by the Company that it is in compliance with all conditions precedent provided for in this Indenture relating to the authentication and delivery of such Securities.

The Trustee shall not be required to authenticate such Securities if the issue thereof will adversely affect the Trustee's own rights, duties, or immunities under the Securities and this Indenture.

If the Company shall establish pursuant to Section 3.01 that Securities of a series may be issued in whole or in part in global form, then the Company shall execute, and the Trustee shall (in accordance with this Section 3.03 and the Authentication Order with respect to such series) authenticate and deliver, one or more Securities in global form that (i) shall represent and shall be denominated in an aggregate amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by such one or more Securities in global form, (ii) shall be registered, in the name of the Depository for such Security or Securities in global form, or in the name of a nominee of such Depository, (iii) shall be delivered to such Depository or pursuant to such Depository's instruction, and (iv) shall bear a legend substantially as follows: "Unless and until it is exchanged in whole or in part for Securities in certificated form, this Security may not be transferred except as a whole by the Depository to a nominee of the Depository, or by a nominee of the Depository to the Depository or another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository." Each Depository designated pursuant to Section 3.01 for a Security in global form must, at the time of its designation and at all times while it serves as Depository, be a clearing agency registered under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**") and any other applicable statute or regulation.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature of an authorized signatory, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Section 3.04 Temporary Securities. Pending the preparation of definitive Securities of any series, the Company may execute, and, upon receipt of the documents required by Sections 2.02, 3.01 and 3.03 hereof, together with an Authentication Order, the Trustee shall authenticate and deliver, temporary Securities of such series that are printed, lithographed, typewritten, mimeographed, or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued in registered form, without coupons, and with such appropriate insertions, omissions, substitutions, and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities. In the case of Securities of any series for which a temporary Security may be issued in global form, such temporary global security shall represent all of the Outstanding Securities of such series and tenor.

Except in the case of temporary Securities in global form, which shall be exchanged in accordance with the provisions thereof, if temporary Securities of any series are issued, the Company will cause definitive Securities of such series to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities of such series shall

be exchangeable, at the Corporate Trust Office of the Trustee, or at such other office or agency as may be maintained by the Company in a Place of Payment pursuant to Section 10.02 hereof, for definitive Securities of such series having identical terms and provisions, upon surrender of the temporary Securities of such series, at the Company's own expense and without charge to the Holder; and upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Securities of such series in authorized denominations containing identical terms and provisions. Unless otherwise specified as contemplated by Section 3.01 with respect to a temporary Security in global form, until so exchanged, the temporary Securities of such series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series.

Section 3.05 Registration, Transfer and Exchange . With respect to the Securities of each series, the Trustee shall keep a register (herein sometimes referred to as the "**Security Register**") which shall provide for the registration of Securities of such series, and for registration of transfers of Securities of such series, in accordance with information to be provided to the Trustee by the Company, subject to such reasonable regulations as the Trustee may prescribe. Such register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times the information contained in such register or registers shall be available for inspection, during normal business hours, at the Corporate Trust Office of the Trustee or at such other office or agency to be maintained by the Company pursuant to Section 10.02 hereof.

Upon due presentation for registration of transfer of any Security of any series at the Corporate Trust Office of the Trustee or at any other office or agency maintained by the Company with respect to that series pursuant to Section 10.02 hereof, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of such series of any authorized denominations, of like aggregate principal amount, tenor, terms and Scheduled Maturity Date.

Any other provision of this Section 3.05 notwithstanding, unless and until it is exchanged in whole or in part for the individual Securities represented thereby, in definitive form, a Security in global form representing all or a portion of the Securities of a series may not be transferred except as a whole by the Depository for such series to a nominee of such Depository, or by a nominee of such Depository to such Depository or another nominee of such Depository, or by such Depository or any such nominee to a successor Depository for such series or a nominee of such successor Depository.

At the option of the Holder, Securities of any series may be exchanged for other Securities of such series of any authorized denominations, of like aggregate principal amount, tenor, terms and Scheduled Maturity Date, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Securityholder making the exchange is entitled to receive.

If at any time the Depository for the Securities of a series represented by one or more Securities in global form notifies the Company that it is unwilling or unable to continue as

Depository for the Securities of such series, or if at any time the Depository for the Securities of such series shall no longer be eligible under Section 3.03 hereof, the Company, by Company Order, shall appoint a successor Depository with respect to the Securities of such series. If a successor Depository for the Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company's election pursuant to Section 3.01 that such Securities be represented by one or more Securities in global form shall no longer be effective with respect to the Securities of such series and the Company will execute, and the Trustee, upon receipt of an Authentication Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver Securities of such series in definitive form, in authorized denominations, in an aggregate principal amount, and of like terms and tenor, equal to the principal amount of the Security or Securities in global form representing such series, in exchange for such Security or Securities in global form.

The Company may at any time and in its sole discretion and subject to the procedures of the Depository determine that individual Securities of any series issued in global form shall no longer be represented by such Security or Securities in global form. In such event the Company will execute, and the Trustee, upon receipt of an Authentication Order for the authentication and delivery of definitive Securities of such series and of the same terms and tenor, will authenticate and deliver Securities of such series in definitive form, in authorized denominations, and in aggregate principal amount equal to the principal amount of the Security or Securities in global form representing such series in exchange for such Security or Securities in global form.

If specified by the Company pursuant to Section 3.01 with respect to a series of Securities issued in global form, the Depository for such series of Securities may surrender a Security in global form for such series of Securities in exchange in whole or in part for Securities of such series in definitive form and of like terms and tenor on such terms as are acceptable to the Company and such Depository. Thereupon, the Company shall execute, and the Trustee upon receipt of an Authentication Order for the authentication and delivery of definitive Securities of such series, shall authenticate and deliver, without service charge:

(a) to each Person specified by such Depository, a new definitive Security or Securities of the same series and of the same tenor and terms, in authorized denominations, in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Security in global form; and

(b) to such Depository, a new Security in global form in a denomination equal to the difference, if any, between the principal amount of the surrendered Security in global form and the aggregate principal amount of the definitive Securities delivered to Holders pursuant to clause (a) above.

Upon the exchange of a Security in global form for Securities in definitive form, such Security in global form shall be canceled by the Trustee or an agent of the Company or the Trustee. Securities issued in definitive form in exchange for a Security in global form pursuant to this Section 3.05 shall be registered in such names and in such authorized denominations as the Depository for such Security in global form, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee or an agent of the Company or the Trustee in writing. The Trustee or such agent shall deliver such Securities to or as directed by the Persons in whose names such Securities are so registered or to the Depository.

Whenever any securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such transfer or exchange.

Every Security presented or surrendered for registration of transfer, exchange, redemption or payment shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder thereof or his attorney duly authorized in writing.

Unless otherwise provided in the Security to be transferred or exchanged, no service charge shall be imposed for any registration of transfer or exchange of Securities, but the Company may (unless otherwise provided in such Security) require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Securities, other than exchanges pursuant to Sections 3.04, 3.06, 9.06 and 11.07 hereof not involving any transfer.

The Company shall not be required to (i) issue, register the transfer of, or exchange any Security of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of such series selected for redemption under Section 11.03 and ending at the close of business on the date of such mailing, or (ii) register the transfer of or exchange any Security so selected for redemption in whole or in part, except in the case of any Security to be redeemed in part, the portion thereof not to be redeemed.

Section 3.06 Mutilated, Destroyed, Lost and Stolen Securities . If (i) any mutilated Security is surrendered to the Trustee, or the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Security, and (ii) there is delivered to the Company and the Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a protected purchaser, the Company may in its discretion execute and upon request of the Company the Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Security, a new Security of like tenor, terms, series, Scheduled Maturity Date, and principal amount, and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section 3.06, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section 3.06 in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same series duly issued hereunder.

The provisions of this Section 3.06 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 3.07 Payment of Interest; Interest Rights Preserved . Interest on any Security which is payable and is punctually paid or duly provided for on any Interest Payment Date shall, if so provided in such Security, be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the applicable Record Date, notwithstanding any transfer or exchange of such Security subsequent to such Record Date and prior to such Interest Payment Date (unless such Interest Payment Date is also the date of Maturity of such Security).

Any interest on any Security which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "**Defaulted Interest**") shall forthwith cease to be payable to the registered Holder on the applicable Record Date by virtue of his having been such Holder; and, except as hereinafter provided, such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or clause (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names any such Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each such Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to the Holder of each such Security at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names such Securities (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (b).

(b) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Interest on Securities of any series that bear interest may be paid by mailing a check to the address of the Person entitled thereto at such address as shall appear in the Securities Register for such series or by such other means as may be specified in the form of such Security.

Subject to the foregoing provisions of this Section 3.07 and the provisions of Section 3.05 hereof, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Section 3.08 Persons Deemed Owners . Prior to due presentment of a Security for registration of transfer, the Company, the Trustee, and any agent of the Company or the Trustee may treat the Person in whose name any Security is registered on the applicable Record Date(s) as the owner of such Security for the purpose of receiving payment of principal, premium, if any, interest, if any (subject to Sections 3.05 and 3.07 hereof), and any additional amounts payable with respect to such Security, and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee, nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

None of the Company, the Trustee, any Authenticating Agent, any Paying Agent, the Security Registrar, or any co-Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Security in global form or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests and each of them may act or refrain from acting without liability on any information relating to such records provided by the Depository.

Section 3.09 Cancellation . All Securities surrendered for payment, redemption, registration of transfer, exchange, or credit against a sinking or analogous fund shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and, if not already canceled, shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. Acquisition of such Securities by the Company shall not operate as a redemption or satisfaction of the indebtedness represented by such Securities unless and until the same are delivered to the Trustee for cancellation. No Security shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 3.09, except as expressly permitted by this Indenture. The Trustee shall dispose of all canceled Securities in accordance with its customary procedures and at the Company's written request, deliver a certificate of such disposition to the Company.

Section 3.10 Computation of Interest . Unless otherwise provided as contemplated in Section 3.01, interest on the Securities shall be calculated on the basis of a 360-day year of twelve 30-day months.

Section 3.11 CUSIP Numbers . The Company in issuing the Securities may use “CUSIP” and “ISIN” numbers (if then generally in use), and, if so, the Trustee shall use the CUSIP or ISIN numbers, as the case may be, in notices of redemption as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, as the case may be, either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities. The Company will promptly notify the Trustee in writing of any change in the CUSIP or ISIN number.

ARTICLE 4.
SATISFACTION AND DISCHARGE

Section 4.01 Satisfaction and Discharge of Indenture . This Indenture shall cease to be of further effect with respect to any series of Securities (except as to any surviving rights of conversion or transfer or exchange of Securities of such series expressly provided for herein or in the form of Security for such series), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture as to such series, when

(a) either

(i) all Securities of that series theretofore authenticated and delivered (other than (A) Securities of such series which have been destroyed, lost, or stolen and which have been replaced or paid as provided in Section 3.06, and (B) Securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 4.07) have been delivered to the Trustee canceled or for cancellation; or

(ii) all such Securities of that series not theretofore delivered to the Trustee canceled or for cancellation

(A) have become due and payable, or

(B) will, in accordance with their Scheduled Maturity Date, become due and payable within one year, or

(C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and, in any of the cases described in subparagraphs (A), (B), or (C) above, the Company has irrevocably deposited or caused to be deposited with the Trustee, as trust funds in trust for the purpose, (x) an amount in money sufficient, (y) U.S. Government Obligations or Equivalent Government Securities which through the payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money sufficient, or (z)

a combination of (x) and (y) sufficient, in the opinion with respect to (y) and (z) of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge the entire indebtedness on such Securities with respect to principal, premium, if any, and interest, if any, to the date of such deposit (in the case of Securities which have become due and payable), or to the Scheduled Maturity Date or Redemption Date, as the case may be; provided, however, that if such U.S. Government Obligations or Equivalent Government Securities are callable or redeemable at the option of the issuer thereof, the amount of such money, U.S. Government Obligations, and Equivalent Government Securities deposited with the Trustee must be sufficient to pay and discharge the entire indebtedness referred to above if such issuer elects to exercise such call or redemption provisions at any time prior to the Scheduled Maturity Date or Redemption Date, as the case may be. The Company, but not the Trustee, shall be responsible for monitoring any such call or redemption provision; and

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to the Securities of such series; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Securities of such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any series of Securities, the obligations of the Company under paragraph (a) of this Section 4.01 and its obligations to the Trustee with respect to that series under Section 6.07 shall survive, and the obligations of the Trustee under Sections 4.05, 4.07 and 10.03 shall survive.

Section 4.02 Discharge and Defeasance . The provisions of this Section 4.02 and Section 4.04 (insofar as relating to this Section) shall apply to the Securities of each series unless specifically otherwise provided in a Board Resolution or indenture supplemental hereto provided pursuant to Section 3.01 . In addition to discharge of this Indenture pursuant to Section 4.01, in the case of any series of Securities with respect to which the exact amount described in subparagraph (a) of Section 4.04 can be determined at the time of making the deposit referred to in such subparagraph (a), the Company shall be deemed to have paid and discharged the entire indebtedness with respect to all the Securities of such a series as provided in this Section 4.02 on and after the date the conditions set forth in Section 4.04 are satisfied, and the provisions of this Indenture with respect to the Securities of such series shall no longer be in effect (except as to (i) rights of registration of transfer and exchange of Securities of such series, (ii) substitution of mutilated, destroyed, lost or stolen Securities of such series, (iii) rights of Holders of Securities of such series to receive, solely from the trust fund described in subparagraph (a) of Section 4.04, payments of principal thereof, premium, if any, and interest, if any, thereon upon the original stated due dates or upon the Redemption Dates therefor (but not upon acceleration), and remaining rights of the Holders of Securities of such series to receive mandatory sinking fund payments, if any, (iv) the rights, obligations, duties and immunities of the Trustee hereunder, (v) this Section 4.02 and Sections 4.07, 10.02 and 10.03 and (vi) the rights of the Holders of Securities of such series as beneficiaries hereof with respect to the property so deposited with the Trustee payable to all or any of them) (hereinafter called "**Defeasance**"), and the Trustee at the cost and expense of the Company, shall execute proper instruments acknowledging the same.

Section 4.03 Covenant Defeasance . The provisions of this Section 4.03 and Section 4.04 (insofar as relating to this Section) shall apply to the Securities of each series unless specifically otherwise provided in a Board Resolution or indenture supplemental hereto provided pursuant to Section 3.01. In the case of any series of Securities with respect to which the exact amount described in subparagraph (a) of Section 4.04 can be determined at the time of making the deposit referred to in such subparagraph (a), (i) the Company shall be released from its obligations under any covenants specified in or pursuant to Section 3.01 as being subject to Covenant Defeasance with respect to such series (except as to (a) rights of registration of transfer and exchange of Securities of such series and rights under Sections 4.07, 10.02 and 10.03, (b) substitution of mutilated, destroyed, lost or stolen Securities of such series, (c) rights of Holders of Securities of such series to receive, from the Company pursuant to Section 10.01, payments of principal thereof and interest, if any, thereon upon the original stated due dates or upon the Redemption Dates therefor (but not upon acceleration), and remaining rights of the Holders of Securities of such series to receive mandatory sinking fund payments, if any, (d) the rights, obligations, duties and immunities of the Trustee hereunder and (e) the rights of the Holders of Securities of such series as beneficiaries hereof with respect to the property so deposited with the Trustee payable to all or any of them), and (ii) the occurrence of any event specified in Section 5.01(d) (with respect to any of the covenants specified in or pursuant to Section 3.01 as being subject to Covenant Defeasance with respect to such series) shall be deemed not to be or result in a default or an Event of Default, in each case with respect to the Outstanding Securities of such series as provided in this Section 4.03 on and after the date the conditions set forth in Section 4.04 are satisfied (hereinafter called "**Covenant Defeasance**"), and the Trustee at the cost and expense of the Company, shall execute proper instruments acknowledging the same. For this purpose, such Covenant Defeasance means that the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant (to the extent so specified in the case of Section 5.01(d)), whether directly or indirectly by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document, but the remainder of this Indenture and the Securities of such series shall be unaffected thereby.

Section 4.04 Conditions to Defeasance or Covenant Defeasance . The following shall be the conditions to application of either Sections 4.02 or 4.03 to the Outstanding Securities:

(a) with reference to Sections 4.02 or 4.03, the Company has irrevocably deposited or caused to be irrevocably deposited with the Trustee as funds in trust, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of Securities of such series (i) money in an amount, or (ii) U.S. Government Obligations or Equivalent Government Securities which through the payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination of (i) and (ii), sufficient, in the opinion (with respect to (ii) and (iii)) of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge each installment of principal (including mandatory sinking fund payments) of, premium, if any, and interest on, the Outstanding Securities of such series on the dates such installments of interest, premium or

principal are due, including upon redemption; provided, however, that if such U.S. Government Obligations and Equivalent Government Securities are callable or redeemable at the option of the issuer thereof, the amount of such money, U.S. Government Obligations, and/or Equivalent Government Securities deposited with the Trustee must be sufficient to pay and discharge the entire indebtedness referred to above if the issuer of any such U.S. Government Obligations or Equivalent Government Securities elects to exercise such call or redemption provisions at any time prior to the Scheduled Maturity Date or Redemption Date of such Securities, as the case may be. The Company, but not the Trustee, shall be responsible for monitoring any such call or redemption provision.

(b) in the case of Defeasance under Section 4.02, the Company has delivered to the Trustee an Opinion of Counsel based on the fact that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (y) since the date hereof, there has been a change in the applicable United States federal income tax law, in either case to the effect that, and such opinion shall confirm that, the Holders of the Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit, Defeasance and discharge and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit, Defeasance and discharge had not occurred;

(c) in the case of Covenant Defeasance under Section 4.03, the Company has delivered to the Trustee an Opinion of Counsel to the effect that, and such opinion shall confirm that, the Holders of the Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and Covenant Defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such deposit and Covenant Defeasance had not occurred;

(d) no Event of Default or event which, with notice or lapse of time or both, would become an Event of Default with respect to the Securities of such series shall have occurred and be continuing on the date of such deposit, after giving effect to such deposit or, in the case of a Defeasance under Section 4.02, no Event of Default specified in Sections 5.01(e) or 5.01(f) shall have occurred, at any time during the period ending on the 91st day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company in respect of such deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period);

(e) such Defeasance or Covenant Defeasance will not cause the Trustee to have a conflicting interest within the meaning of the TIA, assuming all Securities of a series were in default within the meaning of the TIA;

(f) such Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any agreement or instrument to which the Company is a party or by which it is bound;

(g) such Defeasance or Covenant Defeasance will not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act of 1940, as amended (the "**Investment Company Act**"), unless the trust is registered under the Investment Company Act or exempt from registration;

(h) If the Securities of such series are to be redeemed prior to their Stated Maturity Date (other than from mandatory sinking fund payments or analogous payments), notice of such redemption shall have been duly given pursuant to this Indenture or provision therefor satisfactory to the Trustee shall have been made; and

(i) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for herein relating to such Defeasance or Covenant Defeasance, as the case may be, have been complied with.

Section 4.05 Application of Trust Money; Excess Funds . All money and U.S. Government Obligations or Equivalent Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Sections 4.01 or 4.04 hereof shall be held in trust and applied by it, in accordance with the provisions of this Indenture and of the series of Securities in respect of which it was deposited, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent), as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations or Equivalent Government Securities deposited pursuant to Sections 4.01 or 4.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the Outstanding Securities.

Anything in this Article 4 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Governmental Obligations or Equivalent Government Securities held by it as provided in Sections 4.01 or 4.04 which, in the opinion of a nationally recognized investment bank, appraisal firm or firm of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, (which may be the opinion delivered under Sections 4.01 or 4.04, as applicable), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent satisfaction and discharge, Covenant Defeasance or Defeasance of the applicable series.

Section 4.06 Paying Agent to Repay Moneys Held . Upon the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent of the Securities (other than the Trustee) shall, upon demand of the Company, be repaid to it or paid to the Trustee, and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

Section 4.07 Return of Unclaimed Amounts . Any amounts deposited with or paid to the Trustee or any Paying Agent or then held by the Company, in trust for payment of the principal of, premium, if any, or interest, if any, on the Securities and not applied but remaining

unclaimed by the Holders of such Securities for two years after the date upon which the principal of, premium, if any, or interest, if any, on such Securities, as the case may be, shall have become due and payable, shall be repaid to the Company by the Trustee on Company Request or (if then held by the Company) shall be discharged from such trust; and the Holder of any of such Securities shall thereafter look only to the Company for any payment which such Holder may be entitled to collect (until such time as such unclaimed amounts shall escheat, if at all, to the State of New York) and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease. Notwithstanding the foregoing, the Trustee or Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once a week for two successive weeks (in each case on any day of the week) in a newspaper printed in the English language and customarily published at least once a day at least five days in each calendar week and of general circulation in the Borough of Manhattan, in the City and State of New York, a notice that said amounts have not been so applied and that after a date named therein any unclaimed balance of said amounts then remaining will be promptly returned to the Company.

Section 4.08 Reinstatement. If the Trustee is unable to apply any money in accordance with Section 4.04(a) by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Securities of such series shall be revived and reinstated as though no deposit had occurred pursuant to Section 4.04(a) until such time as the Trustee is permitted to apply all such money in accordance with Section 4.04(a); provided, however, that if the Company makes any payment of principal of (and premium, if any) or interest on any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of the Securities of such series to receive such payment from the money held by the Trustee.

ARTICLE 5. REMEDIES

Section 5.01 Events of Default. "**Event of Default**", wherever used herein, means with respect to any series of Securities any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), unless such event is either inapplicable to a particular series or it is specifically deleted or modified in the manner contemplated by Section 3.01:

- (a) default in the payment of any interest on any Security of such series when it becomes due and payable, and continuance of such default for a period of 30 days or more; or
- (b) default in the payment of the principal amount of (or premium, if any, on) any Security of such series as and when the same shall become due, either at Maturity, upon redemption, by declaration, or otherwise; or
- (c) default in the payment of any sinking or purchase fund or analogous obligation when the same becomes due by the terms of the Securities of such series and continuance of such default for a period of 30 days or more; or

(d) default in the performance or breach of any covenant or warranty of the Company in this Indenture in respect of the Securities of such series (other than a covenant in respect of the Securities of such series a default in the performance of which or the breach of which is specifically dealt with in (a), (b) or (c) above), and continuance of such default or breach for a period of 90 days after or more there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in the aggregate principal amount of the Outstanding Securities of such series, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(e) the entry of an order for relief against the Company under the Federal Bankruptcy Act by a court having jurisdiction in the premises or a decree or order by a court having jurisdiction in the premises adjudging the Company a bankrupt or insolvent under any other applicable Federal or State law, or the entry of a decree or order approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under the Federal Bankruptcy Code or any other applicable Federal or State law, or appointing a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of the property of the Company, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; or

(f) the consent by the Company to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the Federal Bankruptcy Code or any other applicable Federal or State law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of the property of the Company, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(g) any other Event of Default provided for with respect to the Securities of such series in accordance with Section 3.01.

A default under any indebtedness of the Company other than the Securities will not constitute an Event of Default under this Indenture, and a default under one series of Securities will not constitute a default under any other series of Securities.

The Trustee shall not be charged with Knowledge of any Event of Default or Knowledge of any cure of any Event of Default unless written notice of such Event of Default have been given to a Responsible Officer by the Company or any Holder.

Section 5.02 Acceleration of Maturity; Rescission, and Annulment. If any Event of Default described in Section 5.01 above (other than Event of Default described in Sections 5.01(e) and 5.01(f)) shall have occurred and be continuing with respect to any series, then and in each and every such case, unless the principal of all the Securities of such series shall have already become due and payable, either the Trustee or the Holders of not less than 25% (or such other percentage provided for in accordance with Section 3.01) in aggregate principal amount of

the Securities of such series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by Holders), may declare the principal amount (or, if the Securities of such series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) of all the Securities of such series and any and all accrued interest thereon to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, any provision of this Indenture or the Securities of such series to the contrary notwithstanding. If an Event of Default specified in Sections 5.01(e) or 5.01(f) occurs, the principal amount of the Securities of such series and any and all accrued interest thereon shall immediately become and be due and payable without any declaration or other act on the part of the Trustee or any Holder. No declaration of acceleration by the Trustee with respect to any series of Securities shall constitute a declaration of acceleration by the Trustee with respect to any other series of Securities, and no declaration of acceleration by the Holders of at least 25% (or such other percentage provided for in accordance with Section 3.01) in aggregate principal amount of the Outstanding Securities of any series shall constitute a declaration of acceleration or other action by any of the Holders of any other series of Securities, in each case whether or not the Event of Default on which such declaration is based shall have occurred and be continuing with respect to more than one series of Securities, and whether or not any Holders of the Securities of any such affected series shall also be Holders of Securities of any other such affected series.

At any time after such a declaration of acceleration has been made with respect to the Securities of any series and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article 5, the Holders of not less than a majority (or such other percentage provided for in accordance with Section 3.01) in aggregate principal amount of the Outstanding Securities of such series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if all Events of Default with respect to such series of Securities, other than the nonpayment of the principal of the Securities of such series which have become due solely by such acceleration, have been cured or waived as provided in Section 5.13, if such cure or waiver does not conflict with any judgment or decree set forth in Sections 5.01(e) and 5.01(f) and if all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel have been paid.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03 Collection of Indebtedness and Suits for Enforcement by Trustee. The Company covenants that if:

- (a) default is made in the payment of any installment of interest on any Security of any series when such interest becomes due and payable, or
- (b) default is made in the payment of the principal of (or premium, if any, on) any Security at the Maturity thereof, or

(c) default is made in the payment of any sinking or purchase fund or analogous obligation when the same becomes due by the terms of the Securities of any series, and

(d) any such default continues for any period of grace provided in relation to such default pursuant to Section 5.01, then, with respect to the Securities of such series, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holder of any such Security (or the Holders of any such series in the case of clause (c) above), the whole amount then due and payable on any such Security (or on the Securities of any such series in the case of clause (c) above) for principal (and premium, if any) and interest, if any, with interest (to the extent that payment of such interest shall be legally enforceable) upon the overdue principal (and premium, if any) and upon overdue installments of interest, if any, at such rate or rates as may be prescribed therefor by the terms of any such Security (or of Securities of any such series in the case of clause (c) above); and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and all other amounts due the Trustee under Section 6.07.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon the Securities of such series and collect the money adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to any series of Securities occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04 Trustee May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceedings or otherwise,

(a) to file and prove a claim for the whole amount of principal (or, with respect to Original Discount Securities, such portion of the principal amount as may be specified in the terms of such Securities), premium, if any, and interest, if any, owing and unpaid in respect of the Securities, and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents and counsel, and all other amounts due the Trustee under Section 6.07) and of the Securityholders allowed in such judicial proceedings, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Securityholder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Securityholders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07 hereof.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Securityholder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Securityholder in any such proceeding.

Section 5.05 Trustee May Enforce Claims Without Possession of Securities. All rights of action and claims under this Indenture or the Securities of any series may be prosecuted and enforced by the Trustee without the possession of any of the Securities of such series or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities, of the series in respect of which such judgment has been recovered.

Section 5.06 Application of Money Collected. Any money collected by the Trustee with respect to a series of Securities pursuant to this Article 5 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal, premium, if any, or interest, if any, upon presentation of the Securities of such series and the notation thereon of the payment, if only partially paid, and upon surrender thereof, if fully paid:

First: To the payment of all amounts due the Trustee under Section 6.07 hereof.

Second: To the payment of the amounts then due and unpaid upon the Securities of that series for principal, premium, if any, interest, if any, and additional amounts, if any, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind.

Section 5.07 Limitation on Suits. No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to Securities of such series;

(b) the Holders of not less than 25% (or such other percentage provided for in accordance with Section 3.01) in principal amount of the Outstanding Securities of such series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 60 days after its receipt of such notice, request, and offer of indemnity has failed to institute any such proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of such series; it being understood and intended that no one or more Holders of Securities of such series shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Securities of such series, or to obtain or to seek to obtain priority or preference over any other such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and proportionate benefit of all the Holders of all Securities of such series.

Section 5.08 Unconditional Right of Securityholders to Receive Principal, Premium, and Interest. Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal, premium, if any, and (subject to Section 3.07) interest, if any, (and additional amounts, if any) on such Security on or after the respective payment dates expressed in such Security (or, in the case of redemption or repayment, on the Redemption Date or Repayment Date, as the case may be) and to institute suit for the enforcement of any such payment on or after such respective date, and such right shall not be impaired or affected without the consent of such Holder.

Section 5.09 Restoration of Rights and Remedies. If the Trustee or any Securityholder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Company, the Trustee and Securityholders shall, subject to any determination in such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Securityholders shall continue as though no such proceeding had been instituted.

Section 5.10 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Securityholders is intended to be exclusive of any other right or remedy, and every right or remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11 Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Securityholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Securityholders, as the case may be.

Section 5.12 Control by Securityholders. The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series, provided, that:

(a) the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture or if the Trustee in good faith shall, by a Responsible Officer, determine that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Holders not taking part in such direction, and

(b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 5.13 Waiver of Past Defaults. The Holders of not less than a majority in principal amount of the Outstanding Securities of any series may, on behalf of the Holders of all the Securities of such series, waive any past default hereunder with respect to such series and its consequences, except a default not theretofore cured:

(a) in the payment of principal, premium, if any, or interest, if any, on any Security of such series, or in the payment of any sinking or purchase fund or analogous obligation with respect to the Securities of such series, or

(b) in respect of a covenant or provision in this Indenture which, under Article 9 hereof, cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 5.14 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.14 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Securityholder or group

of Securityholders holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series to which the suit relates, or to any suit instituted by any Securityholder for the enforcement of the payment of principal, premium, if any, or interest, if any, on any Security on or after the respective payment dates expressed in such Security (or, in the case of redemption or repayment, on or after the Redemption Date or Repayment Date).

Section 5.15 Waiver of Stay or Extension Laws. The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law (other than any bankruptcy law) wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 6.
THE TRUSTEE

Section 6.01 Certain Duties and Responsibilities of Trustee.

(a) Except during the continuance of an Event of Default with respect to any series of Securities,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Securities of such series, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may, with respect to Securities of such series, conclusively rely upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default with respect to any series of Securities has occurred and is continuing, the Trustee shall exercise, with respect to the Securities of such series, such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section 6.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in principal amount of the Outstanding Securities of any series relating to the time, method, and place of conducting any proceeding for any remedy available to the Trustee with respect to the Securities of such series, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.01.

Section 6.02 Notice of Defaults. Within 90 days after it has received notification of the occurrence of any default hereunder with respect to Securities of any series, the Trustee shall deliver to all Securityholders of such series, as their names and addresses appear in the Security Register, notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal, premium, if any, or interest, if any, on any Security of such series or in the payment of any sinking or purchase fund installment or analogous obligation with respect to Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the Securityholders of such series and; provided, further, that, in the case of any default of the character specified in Section 5.01(d) with respect to Securities of such series, no such notice to Securityholders of such series shall be given until at least 60 days after the occurrence thereof. For the purpose of this Section 6.02, the term "default", with respect to Securities of any series, means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

Section 6.03 Certain Rights of Trustee. Except as otherwise provided in Section 6.01 above:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction or order of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and any Opinion of Counsel shall be a full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Securityholders pursuant to this Indenture, unless such Securityholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the permissive rights of the Trustee enumerated herein shall not be construed as duties;

(i) the Trustee may request that Company deliver an Officers' Certificate setting forth the name of the individuals and/or titles of Officers authorized at such time to take specific actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such Officers' Certificate previously delivered and not superseded;

(j) in no event shall the Trustee be liable, directly or indirectly, for any special, indirect, punitive or consequential damages, even if the Trustee has been advised of the possibility of such damages;

(k) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder; and

(l) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes, terrorist attacks or other disasters.

Section 6.04 Not Responsible for Recitals or Issuance of Securities. The recitals contained herein and in the Securities, except the certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

Section 6.05 May Hold Securities. The Trustee or any Paying Agent, Security Registrar, or other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.08 and 6.13 hereof, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar, or such other agent.

Section 6.06 Money Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

Section 6.07 Compensation and Reimbursement. The Company covenants and agrees:

(a) to pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(c) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Sections 5.01(e) and 5.01(f) above, such expenses (including the reasonable charges and expenses of its counsel) and compensation for such services are intended to constitute expenses of administration under any applicable Federal or State bankruptcy, insolvency, reorganization, or other similar law.

The Trustee shall have a lien prior to the Securities upon all property and funds held or collected by it as such for any amount owing to it or any predecessor Trustee pursuant to this Section 6.07, except with respect to funds held in trust for the benefit of the Holders of particular Securities.

The provisions of this Section 6.07 shall survive the resignation or removal of the Trustee and the satisfaction and discharge of this Indenture.

Section 6.08 Disqualification; Conflicting Interests. If the Trustee has or shall acquire any conflicting interest within the meaning of the Trust Indenture Act, it shall either eliminate such interest or resign as Trustee with respect to one or more series of Securities, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture.

Section 6.09 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder with respect to each series of Securities that shall be a corporation organized and doing business under the laws of the United States of America or of any State or Territory thereof or of the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, and subject to supervision or examination by Federal or State authority, if there be such a corporation willing to act as Trustee on customary and usual terms. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.09, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee with respect to any series of Securities shall cease to be eligible in accordance with the provisions of this Section 6.09, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

Section 6.10 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11.

(b) The Trustee may resign with respect to any one or more series of Securities at any time by giving at least 60 days' written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed with respect to any series of Securities at any time by Act of the Holders of 66 2/3% in principal amount of the Outstanding Securities of that series, delivered to the Trustee and to the Company.

(d) If at any time:

(i) the Trustee shall fail to comply with Section 6.08 above with respect to any series of Securities after written request therefor by the Company or by any Securityholder who has been a bona fide Holder of a Security of that series for at least six months, or

(ii) the Trustee shall cease to be eligible under Section 6.09 above with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such Securityholder, or

(iii) the Trustee shall become incapable of acting with respect to any series of Securities, or

(iv) the Trustee shall be adjudged as bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case (A) the Company may remove the Trustee, with respect to the series or, in the case of clause (iv), with respect to all series, or (B) subject to Section 5.14, any Securityholder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee with respect to the series or, in the case of clause (iv), with respect to all series.

(e) If the Trustee shall resign, be removed or become incapable of acting with respect to any series of Securities, or if a vacancy shall occur in the office of Trustee with respect to any series of Securities for any cause, the Company shall promptly appoint a successor Trustee for that series of Securities. If, within one year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Trustee with respect to such series of Securities shall be appointed by Act of the Holders of 66 2/3% in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to such series and supersede the successor Trustee appointed by the Company with respect to such series. If no successor Trustee with respect to such series shall have (i) been so appointed by the Company, the Trustee (at the expense of the Issuer), or the Securityholders of such series and (ii) accepted appointment in the manner hereinafter provided, the Trustee or any Securityholder who has been bona fide Holder of a Security of that series for at least six months may, on behalf of itself and (in the case of Securityholders) all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to any series and each appointment of a successor Trustee with respect

to any series by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities of that series as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee and the address of its principal Corporate Trust Office.

Section 6.11 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder with respect to all series of Securities shall execute, acknowledge and deliver to the Company and to the predecessor Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the predecessor Trustee shall become effective, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the predecessor Trustee with respect to any such series; but, on request of the Company or the successor Trustee, such predecessor Trustee shall, upon payment of its reasonable charges, if any, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the predecessor Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such predecessor Trustee hereunder.

In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor Trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto which (1) shall contain such provisions as shall be deemed necessary or desirable to transfer and to conform to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the appointment of such successor Trustee relates and (2) if the predecessor Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not being succeeded shall continue to be vested in the predecessor Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; and, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.

Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the first or second preceding paragraph, as the case may be.

No successor Trustee with respect to any series of Securities shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible with respect to that series under this Article 6.

Section 6.12 Merger, Conversion, Consolidation or Succession to Business. Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided, that such entity shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor Trustee by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.13 Preferential Collection of Claims Against Company. If and when the Trustee shall be or shall become a creditor, of the Company (or of any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or against any such other obligor, as the case may be).

Section 6.14 Appointment of Authenticating Agent. At any time when any of the Securities remain Outstanding the Trustee, with the approval of the Company, may appoint an Authenticating Agent or Agents with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.06, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as an Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and, if other than the Company itself, subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section 6.14, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.14, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 6.14.

Any entity into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or

consolidation to which such Authenticating Agent shall be a party, or any entity succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent; provided, that such entity shall be otherwise eligible under this Section 6.14, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and, if other than the Company, to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and, if other than the Company, to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 6.14, the Trustee, with the approval of the Company, may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall mail written notice of such appointment by first-class mail, postage prepaid, to all Holders of Securities of the series with respect to which such Authenticating Agent will serve, as their names and addresses appear in the Security Register. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 6.14.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section 6.14.

If an appointment with respect to one or more series is made pursuant to this Section 6.14, the Securities of such series may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternate certificate of authentication in the following form:

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

SECURITYHOLDERS' LISTS AND REPORTS BY TRUSTEE AND COMPANY

Section 7.01 Company to Furnish Trustee Names and Addresses of Securityholders. The Company will furnish or cause to be furnished to the Trustee:

(a) semiannually, not more than 15 days after January 1 and July 1, respectively in each year, in such form as the Trustee may reasonably require, a list of the names and addresses of the Holders of Securities of each series as of such date, and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished; provided, that if the Trustee shall be the Security Registrar for such series, such list shall not be required to be furnished.

Section 7.02 Preservation of Information; Communications to Securityholders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 7.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and duties of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any Authenticating Agent nor any Paying Agent nor any Security Registrar nor any agent of any of them shall be held accountable by reason of the disclosure of any information as to the names and addresses of the Holders of Securities in accordance with TIA Section 312, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under TIA Section 312(b).

Section 7.03 Reports by Trustee. (a) The Trustee shall transmit to Holders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto. If required by Section 313(a) of the Trust Indenture Act, the Trustee shall, within 60 days after each May 15 following the date of this Indenture, deliver to each Holder, as provided in the Trust Indenture Act Section 313(c), a brief report dated as of such May 15, which complies with the provisions of such Section 313(a).

(a) A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange upon which any Securities are listed, with the Commission and with the Company as required by the Trust Indenture Act Section 313(d). The Company will promptly notify the Trustee when any Securities are listed on any stock exchange.

Section 7.04 Reports by Company. The Company will:

(a) file with the Trustee, within 15 days after the Company is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Company may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act; or, if the Company is not required to file information, documents or reports pursuant to either of said Sections, then it will file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(c) transmit by mail to all Securityholders, as their names and addresses appear in the Security Register, within 30 days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Company pursuant to paragraphs (a) and (b) of this Section 7.04 as may be required by rules and regulations prescribed from time to time by the Commission.

(d) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates)

ARTICLE 8.
CONSOLIDATION, MERGER, CONVEYANCE OR TRANSFER

Section 8.01 Company May Consolidate, etc., Only on Certain Terms. The Company shall not consolidate with or merge with or into any other corporation or convey or transfer all or substantially all of its properties and assets to any Person, unless:

(a) either the Company shall be the continuing corporation, or the corporation formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or transfer all or substantially all of the properties and assets of the Company shall be a corporation organized and validly existing under the laws of any State of the United States of America or the District of Columbia, and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the

Trustee, the due and punctual payment of the principal, premium, if any, and interest, if any, on all the Securities and the performance of every covenant of this Indenture on the part of the Company to be performed or observed;

(b) immediately after giving effect to such transaction, no Event of Default, default or other event which, after notice or lapse of time, or both, would become an Event of Default, shall have happened and be continuing; and

(c) the Company has delivered to the Trustee an Opinion of Counsel as conclusive evidence stating that any such consolidation, merger, conveyance or transfer and such supplemental indenture, if any, and any assumption permitted or required by this Article 8 complies with the provisions of this Article 8. The Trustee shall be entitled to conclusively rely on and shall accept such Opinion of Counsel as sufficient evidence of the satisfaction of the conditions precedent set forth in this clause (c), in which event it shall be conclusive and binding on the Holders.

Section 8.02 Successor Corporation Substituted. Upon any consolidation or merger, or any conveyance, transfer or lease of all or substantially all of the properties and assets of the Company in accordance with Section 8.01, the successor corporation formed by such consolidation or into which the Company is merged or the Person to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor corporation had been named as the Company herein and the Company shall thereupon be released from all obligations hereunder and under the Securities. Such successor corporation thereupon may cause to be signed and may issue any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof.

In case of any such consolidation, merger, sale or conveyance such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

ARTICLE 9. SUPPLEMENTAL INDENTURES

Section 9.01 Supplemental Indentures Without Consent of Securityholders. Without the consent of the Holders of any Securities, the Company and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto (which shall conform to the provisions of the TIA as in force at the date of execution thereof), in form satisfactory to the Trustee, for any of the following purposes:

(a) to evidence the succession of another corporation to the Company, or successive successions, and the assumption by any such successor of the covenants, agreements and obligations of the Company pursuant to Article 8 hereof; or

(b) to add to the covenants of the Company such further covenants, restrictions or conditions for the protection of the Holders of the Securities of any or all series as the Company and the Trustee shall consider to be for the protection of the Holders of the Securities of any or all series or to surrender any right or power herein conferred upon the Company (and if such covenants or the surrender of such right or power are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included or such surrenders are expressly being made solely for the benefit of one or more specified series); or

(c) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or in any supplemental indenture, or to make any other provisions with respect to matters or questions arising under this Indenture that do not adversely affect the interests of the Holders of Securities of any series in any material respect; or

(d) to add to this Indenture such provisions as may be expressly permitted by the TIA, excluding, however, the provisions referred to in Section 316(a)(2) of the TIA as in effect at the date as of which this instrument is executed or any corresponding provision in any similar federal statute hereafter enacted; or

(e) to add guarantors or co-obligors with respect to any series of Securities; or

(f) to secure any series of Securities; or

(g) to establish any form of Security, as provided in Article 2 hereof, and to provide for the issuance of any series of Securities, as provided in Article 3 hereof, and to set forth the terms thereof, and/or to add to the rights of the Holders of the Securities of any series; or

(h) to evidence and provide for the acceptance of appointment by another corporation as a successor Trustee hereunder with respect to one or more series of Securities and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to Section 6.11 hereof; or

(i) to add any additional Events of Default in respect of the Securities of any or all series (and if such additional Events of Default are to be in respect of less than all series of Securities, stating that such Events of Default are expressly being included solely for the benefit of one or more specified series); or

(j) to comply with the requirements of the Commission in connection with the qualification of this Indenture under the TIA; or

(k) to make any change in any series of Securities that does not adversely affect in any material respect the interests of the Holders of such Securities.

Section 9.02 Supplemental Indentures With Consent of Securityholders. With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture or indentures, by Act of said Holders delivered to the Company and the Trustee, the Company and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the Holders of the Securities of each such series under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby:

(a) change the Scheduled Maturity Date or the stated payment date of any payment of premium or interest payable on any Security, or reduce the principal amount thereof, or any amount of interest or premium payable thereon; or

(b) change the method of computing the amount of principal of any Security or any interest payable thereon on any date, or change any Place of Payment where, or the coin or currency in which, any Security or any payment of premium or interest thereon is payable; or

(c) impair the right to institute suit for the enforcement of any payment described in clauses (a) or (b) on or after the same shall become due and payable, whether at Maturity or, in the case of redemption or repayment, on or after the Redemption Date or the Repayment Date, as the case may be; or

(d) change or waive the redemption or repayment provisions of any series; or

(e) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences, provided for in this Indenture; or

(f) modify any of the provisions of this Section 9.02 or Sections 5.13 or 10.06, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Sections 9.02 and Section 10.06, or the deletion of this proviso, in accordance with the requirements of Sections 6.11 and 9.01(h); or

(g) adversely affect the ranking or priority of any series; or

(h) release any guarantor or co-obligor from any of its obligations under its guarantee of the Securities or this Indenture, except in compliance with the terms of this Indenture; or

(i) waive any Event of Default pursuant to Sections 5.01(a), 5.01(b) or 5.01(c) hereof with respect to such Security.

A supplemental indenture that changes or eliminates any covenant or other provision of this Indenture that has expressly been included solely for the benefit of one or more particular series of Securities, or that modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Securityholders under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 9.03 Execution of Supplemental Indentures. Upon request of the Company and upon filing with the Trustee of evidence of an Act of Securityholders as aforementioned, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, powers, trusts, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture. In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article 9 or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, in addition to the documents required by Section 1.02, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture.

Section 9.04 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article 9, this Indenture shall be and be deemed to be modified and amended in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and the respective rights, limitation of rights, duties, powers, trusts and immunities under this Indenture of the Trustee, the Company, and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be determined, exercised and enforced thereunder to the extent provided therein.

Section 9.05 Conformity With the Trust Indenture Act. Every supplemental indenture executed pursuant to this Article 9 shall conform to the requirements of the TIA as then in effect.

Section 9.06 Reference in Securities to Supplemental Indentures. Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 9 may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Company, to any modification of this Indenture contained in any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE 10.
COVENANTS

Section 10.01 Payment of Principal, Premium and Interest. With respect to each series of Securities, the Company will duly and punctually pay or cause to be paid the principal, premium, if any, and interest, if any, on such Securities in accordance with their terms and this Indenture, and will duly comply with all the other terms, agreements and conditions contained in the Indenture for the benefit of the Securities of such series.

Section 10.02 Maintenance of Office or Agency. So long as any of the Securities remain outstanding, the Company will maintain an office or agency in each Place of Payment where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and of any change in the location, of such office or agency. If at any time the Company shall fail to maintain such office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee and its agent to receive all such presentations, surrenders, notices and demands.

Section 10.03 Money or Security Payments to Be Held in Trust. If the Company shall at any time act as its own Paying Agent for any series of Securities, it will, on or before each due date of the principal, premium, if any, or interest, if any, on any of the Securities of such series, segregate and hold in trust for the benefit of the Holders of the Securities of such series a sum sufficient to pay such principal, premium, or interest so becoming due until such sums shall be paid to such Holders of such Securities or otherwise disposed of as herein provided, and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, on or prior to each due date of the principal, premium, if any, or interest, if any, on any Securities of such series, deposit with a Paying Agent a sum sufficient to pay such principal, premium, or interest so becoming due, such sum to be held in trust for the benefit of the Holders of the Securities entitled to the same and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent other than the Trustee for any series of Securities to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 10.03, that such Paying Agent will:

(a) hold all sums held by it for the payment of principal, premium, if any, or interest, if any, on Securities of such series in trust for the benefit of the Holders of the Securities entitled thereto until such sums shall be paid to such Holders of such Securities or otherwise disposed of as herein provided;

(b) give the Trustee notice of any default by the Company (or any other obligor upon the Securities of such series) in the making of any such payment of principal, premium, if any, or interest, if any, on the Securities of such series; and

(c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may, at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any series of Securities or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent in respect of each and every series of Securities as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Company in respect of all Securities, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Section 10.04 Certificate to Trustee. The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company (beginning in 2017), an Officers' Certificate, one of whose signatories shall be the Company's principal executive, accounting or financial officer, stating that in the course of the performance by the signers of their duties as officers of the Company they would normally have knowledge of any default by the Company in the performance of any of its covenants, conditions or agreements contained herein (without regard to any period of grace or requirement of notice provided hereunder), stating whether or not they have knowledge of any such default and, if so, specifying each such default of which the signers have knowledge and the nature thereof.

Section 10.05 Corporate Existence. Subject to Article 8 the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

Section 10.06 Waiver of Certain Covenants. The Company may omit in respect of any series of Securities, in any particular instance, to comply with any covenant or condition set forth in Section 10.07 or 10.08, if before or after the time for such compliance the Holders of at least a majority in principal amount of the Securities at the time Outstanding of such series shall, by Act of such Securityholders, either waive such compliance in such instance or generally waive compliance with such covenant or condition; provided, that no waiver by the Holders of the Securities of such series shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect. The Company shall promptly notify the Trustee, in writing, of any such waiver or of the revocation of any such waiver.

Section 10.07 Limitation on Liens. Unless otherwise provided in a particular series of Securities, so long as any of the senior Securities shall be Outstanding, neither the Company nor any Restricted Subsidiary of the Company will incur, suffer to exist, or guarantee any Debt, secured by a mortgage, pledge or lien (a "**Lien**") on any Principal Property or on any shares of

stock of (or other interests in) any Restricted Subsidiary of the Company unless the Company or such first mentioned Restricted Subsidiary secures or the Company causes such Restricted Subsidiary to secure the senior Securities (and any other Debt of the Company or such Restricted Subsidiary, at the option of the Company or such Restricted Subsidiary, as the case may be, not subordinate to the senior Securities), equally and ratably with (or prior to) such secured Debt, for so long as such secured Debt shall be so secured. This restriction will not, however, apply to Debt secured by:

(a) Liens existing prior to the issuance of the applicable senior Securities hereunder;

(b) Liens on property of or shares of stock of (or other interests in) or debt of any Entity existing at the time such Entity becomes a Restricted Subsidiary of the Company;

(c) Liens on property of or shares of stock of (or other interests in) or debt of any Entity existing at the time of acquisition thereof (including acquisition through merger or consolidation);

(d) Liens on property of or shares of stock of (or other interests in) or debt of any Entity securing the payment of all or any part of the purchase price of any property or shares of stock of (or other interests in) any Entity or the cost of construction of such property (or additions, repairs, alterations, or improvements thereto),

(e) Liens on property of or shares of stock of (or other interests in) or debt of any Entity securing indebtedness incurred to finance all or any part of the purchase price of any property or shares of stock of (or other interests in) any Entity or the cost of construction of such property (or additions, repairs, alterations or improvements thereto), provided that such Lien and the indebtedness secured thereby are incurred prior to, at the time of, or within 180 days after the later of the acquisition, the completion of construction (or addition, repair, alteration or improvement) or the commencement of full operation of such property or within 180 days after the acquisition of such shares (or other interests);

(f) Liens in favor of the Company or any of its Restricted Subsidiaries;

(g) Liens in favor of, or required by contracts with, governmental entities; or

(h) any extension, renewal, or refunding referred to in any of the preceding clauses (a) through (g).

Notwithstanding the foregoing, the Company or any of its Restricted Subsidiaries may incur, suffer to exist or guarantee any Debt secured by a Lien on any Principal Property or on any shares of stock of (or other interests in) any Restricted Subsidiary of the Company if, after giving effect thereto, and together with the value of Attributable Debt outstanding pursuant to Section 10.08(b), the aggregate amount of such Debt does not exceed 15% of Consolidated Net Tangible Assets of the Company.

The transfer of a Principal Property to an Unrestricted Subsidiary or the change in designation of a Subsidiary which owns a Principal Property from Restricted Subsidiary to Unrestricted Subsidiary shall not be restricted except as set forth herein.

Section 10.08 Limitation on Sale and Lease-Back Transactions. (a) The Company will not, and will not permit any of its Restricted Subsidiaries to, sell or transfer, directly or indirectly, except to the Company or a Restricted Subsidiary of the Company, any Principal Property as an entirety, or any substantial portion thereof, with the intention of taking back a lease of all or substantial part of such property, except a lease for a period of three years or less at the end of which it is intended that the use of such property by the lessee will be discontinued; provided; that, notwithstanding the foregoing, the Company or any of its Restricted Subsidiaries may sell a Principal Property (as such term is defined with respect to the Company) and lease it back for a period longer than three years (i) if the Company or such Restricted Subsidiary would be entitled, pursuant to Section 10.07, to create a Lien on the property to be leased securing Debt in an amount equal to the Attributable Debt with respect to the sale and lease-back transaction without equally and ratably securing the Outstanding Securities or (ii) if (A) the net proceeds of such sale and lease-back transactions are at least equal to the fair value (as determined by a Board Resolution) of such property and (B) the Company causes an amount equal to the net proceeds of such sale and lease-back transactions to be applied within 180 days of such sale and lease-back transaction to any (or a combination) of (i) the prepayment or retirement of the Outstanding Securities, (ii) the prepayment or retirement (other than any mandatory retirement, mandatory prepayment or sinking fund payment or by payment at maturity) of other Debt of the Company or its Restricted Subsidiaries (other than Debt that is subordinated to the Outstanding Securities or Debt owed to the Company or one of its Restricted Subsidiaries) that matures more than 12 months after its creation or matures less than 12 months after its creation but by its terms being renewable or extendible, at the option of the obligor in respect thereof, beyond 12 months from its creation or (iii) the purchase, construction, development, expansion or improvement of other comparable property.

(b) Notwithstanding Section 10.08(a), the Company or any Restricted Subsidiary of the Company may enter into sale and lease-back transactions in addition to those permitted by Section 10.08(a), and without any obligation to retire any outstanding Debt or to any purchase property or assets; provided, that at the time of entering into such sale and lease-back transactions and after giving effect thereto, the Attributable Debt with respect to such transaction, together with all Debt outstanding pursuant to the second paragraph of Section 10.07, without duplication, does not exceed 15% of Consolidated Net Tangible Assets of the Company.

ARTICLE 11. REDEMPTION OF SECURITIES

Section 11.01 Applicability of Article. The Company may reserve the right to redeem and pay before the Scheduled Maturity Date all or any part of the Securities of any series, either by optional redemption, sinking or purchase fund or analogous obligation or otherwise, by provision therefor in the form of Security for such series established and approved pursuant to Sections 2.02 and 2.03 or as otherwise provided in Section 3.01, and on such terms as are specified in such form or in the indenture supplemental hereto with respect to Securities of such

series as provided in Section 3.01. Redemption of Securities of any series shall be made in accordance with the terms of such Securities and, to the extent that this Article 11 does not conflict with such terms, the succeeding Sections of this Article 11.

Section 11.02 Election to Redeem; Notice to Trustee. In case of any redemption at the election of the Company, the Company shall, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee) notify the Trustee of such Redemption Date and of the principal amount of Securities of such series to be redeemed. In the case of any redemption of Securities (a) prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, or (b) pursuant to an election of the Company which is subject to a condition specified in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction or condition.

Section 11.03 Selection by Trustee of Securities to be Redeemed. If fewer than all the Securities of any series are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate, which may include provision for the selection for redemption of portions of the principal of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series. Unless otherwise provided in the terms of a particular series of Securities, the portions of the principal of Securities so selected for partial redemption shall be equal to the minimum authorized denomination of the Securities of such series, or an integral multiple thereof, and the principal amount which remains outstanding shall not be less than the minimum authorized denomination for Securities of such series.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Security selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal of such Security which has been or is to be redeemed.

Section 11.04 Notice of Redemption. Notice of redemption shall be delivered not fewer than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at his or her address appearing in the Security Register on the applicable Record Date.

All notices of redemption shall state:

- (1) the Redemption Date;
- (2) the Redemption Price, or if not then ascertainable, the manner of calculation thereof;

(3) if fewer than all Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Securities to be redeemed, from the Holder to whom the notice is given and that on and after the date fixed for redemption, upon surrender of such Security, a new Security or Securities of the same series in the aggregate principal amount equal to the unredeemed portion thereof will be issued in accordance with Section 11.07;

(4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security, and that unless the Company defaults in payment of the Redemption Price, interest, if any, thereon shall cease to accrue from and after said date;

(5) the place where such Securities are to be surrendered for payment of the Redemption Price, which shall be the office or agency maintained by the Company in the Place of Payment pursuant to Section 10.02 hereof;

(6) that the redemption is on account of a sinking or purchase fund, or other analogous obligation, if that be the case; and

(7) the CUSIP number, if any, printed on the Securities redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company.

Section 11.05 Deposit of Redemption Price. On or prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price of all the Securities which are to be redeemed on that date.

Section 11.06 Securities Payable on Redemption Date. Notice of Redemption having been given as aforesaid, the Securities to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified and from and after such date (unless the Company shall default in the payment of the Redemption Price) such Securities shall cease to bear interest. Upon surrender of such Securities for redemption in accordance with the notice, such Securities shall be paid by the Company at the Redemption Price. Any installment of interest due and payable on or prior to the Redemption Date shall be payable to the Holders of such Securities registered as such on the relevant Record Date according to the terms and the provisions of Section 3.07 above; unless, with respect to an Interest Payment Date that falls on a Redemption Date, such Securities provide that interest due on such date is to be paid to the Person to whom principal is payable.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate borne by the Security, or as otherwise provided in such Security.

Section 11.07 Securities Redeemed in Part. Any Security that is to be redeemed only in part shall be surrendered at the office or agency maintained by the Company in the Place of

Payment pursuant to Section 10.02 hereof with respect to that series (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security without service charge and at the expense of the Company, a new Security or Securities of the same series, tenor, terms and Scheduled Maturity Date, of any authorized denomination as requested by such Holders in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

Section 11.08 Provisions with Respect to any Sinking Funds. Unless the form or terms of any series of Securities shall provide otherwise, in lieu of making all or any part of any mandatory sinking fund payment with respect to such series of Securities in cash, the Company may at its option (a) deliver to the Trustee for cancellation any Securities of such series theretofore acquired by the Company, or (b) receive credit for any Securities of such series (not previously so credited) acquired or redeemed by the Company (other than through operation of a mandatory sinking fund) and theretofore delivered to the Trustee for cancellation, and if it does so then: (i) Securities so delivered or credited shall be credited at the applicable sinking fund Redemption Price with respect to Securities of such series, and (ii) on or before the 60th day next preceding each sinking fund Redemption Date with respect to such series of Securities, the Company will deliver to the Trustee (A) an Officers' Certificate specifying the portions of such sinking fund payment to be satisfied by payment of cash and by the delivery or credit of Securities of such series acquired or redeemed by the Company, and (B) such Securities, to the extent not previously surrendered. Such Officers' Certificate shall also state the basis for any such credit and that the Securities for which the Company elects to receive credit have not been previously so credited and were not acquired by the Company through operation of the mandatory sinking fund, if any, provided with respect to such Securities and shall also state that no Event of Default with respect to Securities of such series has occurred and is continuing. All Securities so delivered to the Trustee shall be canceled by the Trustee and no Securities shall be authenticated in lieu thereof.

If the sinking fund payment or payments (mandatory or optional) with respect to any series of Securities made in cash plus any unused balance of any preceding sinking fund payments with respect to Securities of such series made in cash shall exceed \$50,000 (or a lesser sum if the Company shall so request), unless otherwise provided by the terms of such series of Securities, that cash shall be applied by the Trustee on the sinking fund Redemption Date with respect to Securities of such series next following the date of such payment to the redemption of Securities of such series at the applicable sinking fund Redemption Price with respect to Securities of such series, together with accrued interest, if any, to the date fixed for redemption, with the effect provided in Section 11.06. The Trustee shall select, in the manner provided in Section 11.03, for redemption on such sinking fund Redemption Date a sufficient principal amount of Securities of such series to utilize that cash and shall thereupon cause notice of redemption of the Securities of such series for the sinking fund to be given in the manner provided in Section 11.04 (and with the effect provided in Section 11.06) for the redemption of Securities in part at the option of the Company. Any sinking fund moneys not so applied or allocated by the Trustee to the redemption of Securities of such series shall be added to the next cash sinking fund payment with respect to Securities of such series received by the Trustee and, together with such payment, shall be applied in accordance with the provisions of this Section

11.08. Any and all sinking fund moneys with respect to Securities of any series held by the Trustee at the Maturity of Securities of such series, and not held for the payment or redemption of particular Securities of such series, shall be applied by the Trustee, together with other moneys, if necessary, to be deposited sufficient for the purpose, to the payment of the principal of the Securities of such series at Maturity.

On or before each sinking fund Redemption Date provided with respect to Securities of any series, the Company shall pay to the Trustee in cash a sum equal to all accrued interest, if any, to the date fixed for redemption on Securities to be redeemed on such sinking fund Redemption Date pursuant to this Section 11.08.

The Trustee shall not redeem any Securities with sinking fund moneys or give any notice of redemption of Securities by operation of the applicable sinking fund during the continuance of a default in payment of interest on Securities of such series or of any Event of Default with respect to such series, except that if the notice of redemption of any Securities shall theretofore have been mailed in accordance with the provisions hereof, the Trustee shall redeem such Securities if cash sufficient for that purpose shall be deposited with the Trustee for that purpose in accordance with the terms of this Article 11. Except as aforesaid, any moneys in the sinking fund with respect to Securities of any series at the time when any such default or Event of Default with respect to such series shall occur, and any moneys thereafter paid into such sinking fund shall, during the continuance of such default or Event of Default with respect to such series, be held as security for the payment of all Securities of such series; provided, however, that in case such default or Event of Default with respect to such series shall have been cured or waived as provided herein, such moneys shall thereafter be applied on the next sinking fund payment date on which such moneys may be applied pursuant to the provisions of this Section 11.08.

ARTICLE 12. REPAYMENT AT OPTION OF HOLDERS

Section 12.01 Applicability of Article. Repayment of Securities of any series before their Scheduled Maturity Date at the option of Holders thereof shall be made in accordance with the terms of such Securities and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article 12.

Section 12.02 Repayment of Securities. Securities of any series subject to repayment in whole or in part at the option of the Holders thereof will, unless otherwise provided in the terms of such Securities, be repaid at a price equal to the principal amount thereof, together with interest thereon accrued to the Repayment Date specified in the terms of such Securities. On or before the Repayment Date, the Company will deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Repayment Price of all the Securities which are to be repaid on such date.

Section 12.03 Exercise of Option. Securities of any series subject to repayment at the option of the Holders thereof will contain an "Option to Elect Repayment" form on the reverse of such Securities. To be repaid at the option of the Holder, any Security so providing for such repayment, with the "Option to Elect Repayment" form on the reverse of such Security duly

completed by the Holder, must be received by the Company at the Place of Payment therefor specified in the terms of such Security (or at such other place or places of which the Company shall from time to time notify the Holders of such Securities) not earlier than 30 days nor later than 15 days prior to the Repayment Date. If less than the entire principal amount of such Security is to be repaid in accordance with the terms of such Security, the principal amount of such Security to be repaid, in increments of \$1,000 unless otherwise specified in the terms of such Security, and the denomination or denominations of the Security or Securities to be issued to the Holder for the portion of the principal amount of such Security surrendered that is not to be repaid must be specified. The principal amount of any Security providing for repayment at the option of the Holder thereof may not be repaid in part, if, following such repayment, the unpaid principal amount of such Security would be less than the minimum authorized denomination of Securities of the series of which such Security to be repaid is a part. Except as otherwise may be provided by the terms of any Security providing for repayment at the option of the Holder thereof, exercise of the repayment option by the Holder shall be irrevocable unless waived by the Company.

Section 12.04 When Securities Presented for Repayment Become Due and Payable. If Securities of any series providing for repayment at the option of the Holders thereof shall have been surrendered as provided in this Article 12 and as provided by the terms of such Securities, such Securities or the portions thereof, as the case may be, to be repaid shall become due and payable and shall be paid by the Company on the Repayment Date therein specified, and on and after such Repayment Date (unless the Company shall default in the payment of such Securities on such Repayment Date) interest on such Securities or the portions thereof, as the case may be, shall cease to accrue.

Section 12.05 Securities Repaid in Part. Upon surrender of any Security which is to be repaid in part only, the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security, without service charge and at the expense of the Company, a new Security or Securities of the same series, tenor, terms and Scheduled Maturity Date, of any authorized denomination specified by the Holder, in an aggregate principal amount equal to and in exchange for the portion of the principal of such Security so surrendered which is not to be repaid.

“Section 6.07 Compensation and Reimbursement. The Company covenants and agrees:

(a) to pay the Trustee from time to time, and the Trustee shall be entitled to, such compensation as the Company and the Trustee shall agree to in writing for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or willful misconduct; and

(c) to indemnify the Trustee and its agents for, and to hold them harmless against, any loss, liability or expense (including taxes other than taxes based upon, measured by or determined by, the income of the Trustee) incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust, including the reasonable costs and expenses of defending itself against any claim (whether asserted by the Company, or any Holder, or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Sections 5.01(e) and 5.01(f) above, such expenses (including the reasonable charges and expenses of its counsel) and compensation for such services are intended to constitute expenses of administration under any applicable Federal or State bankruptcy, insolvency, reorganization, or other similar law. After an Event of Default occurs, the Trustee's actions shall be considered a 'substantial contribution' under such law.

The Trustee shall have a lien prior to the Securities upon all property and funds held or collected by it as such for any amount owing to it or any predecessor Trustee pursuant to this Section 6.07, except with respect to funds held in trust for the benefit of the Holders of particular Securities.

The provisions of this Section 6.07 shall survive the resignation or removal of the Trustee and the satisfaction and discharge of this Indenture.”

NOW, THEREFORE, in consideration of the covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**ARTICLE 1
DEFINITIONS**

Section 1.01. *Relation to Base Indenture.* This Supplemental Indenture No. 2 constitutes an integral part of the Base Indenture.

Section 1.02. *Definition of Terms.* For all purposes of this Supplemental Indenture No. 2:

- (a) capitalized terms used herein without definition shall have the meanings set forth in the Base Indenture;
- (b) a term defined anywhere in this Supplemental Indenture No. 2 has the same meaning throughout;

(c) the singular includes the plural and vice versa;

(d) headings are for convenience of reference only and do not affect interpretation; and

(e) the following terms have the meanings given to them in this Section 1.02(e):

“Business Day” shall mean any day, other than a Saturday or Sunday, (i) which is not a day on which banking institutions in The City of New York or London are authorized or required by law or executive order to close and (ii) on which the Trans-European Automated Real-time Gross Settlement Express Transfer system, or the TARGET2 system, or any successor thereto, operates.

“Change of Control” shall mean the occurrence of any one of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger, amalgamation, arrangement or consolidation), in one or a series of related transactions, of all or substantially all of the Company’s properties or assets and those of the Company’s subsidiaries, taken as a whole, to one or more persons, other than to the Company or one of the Company’s subsidiaries; (2) the first day on which a majority of the members of the Company’s board of directors is not composed of directors who (a) were members of the Company’s board of directors on the issue date or (b) were nominated for election, elected or appointed to the Company’s board of directors with the approval of a majority of the directors who were members of the Company’s board of directors at the time of such nomination, election or appointment (either by a specific vote or by approval by such directors of the Company’s proxy statement in which such member was named as a nominee for election as a director); (3) the consummation of any transaction including, without limitation, any merger, amalgamation, arrangement or consolidation the result of which is that any person becomes the beneficial owner, directly or indirectly, of more than 50% of the Company’s voting stock; (4) the Company consolidates with, or merges with or into, any person, or any person consolidates with, or merges with or into, the Company, in any such event pursuant to a transaction in which any of the outstanding voting stock of the Company or of such other person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Company’s voting stock outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the voting stock of the surviving person immediately after giving effect to such transaction; or (5) the adoption of a plan relating to the Company’s liquidation or dissolution (other than the Company’s liquidation into a newly formed holding company). Notwithstanding the foregoing, a transaction described in clause (3) above will not be deemed to involve a Change of Control if (1) the Company becomes a direct or indirect wholly-owned subsidiary of a holding company (which shall include a parent company) and (2)(A) the direct or indirect holders of the voting stock of such holding company immediately following that transaction are substantially the same as, and hold in substantially the same proportions as, the holders of the Company’s voting stock immediately prior to that transaction or (B) immediately following that transaction no person (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the then outstanding voting stock, measured by voting power, of such holding company. Following any such transaction, references in this definition to the Company shall be deemed to refer to such holding company. “Comparable Government Bond Rate” shall mean the yield to maturity, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards), on the third Business Day prior to the date fixed for redemption, of the Comparable Government Bond (as defined below) on the basis of the middle market price of the Comparable Government Bond prevailing at 11:00 a.m. (London time) on such Business Day as determined by an independent investment bank selected by the Company.

“Ratings Downgrade Event” shall mean that the Notes cease to be rated equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s or BBB- (or the equivalent) by S&P, and the equivalent investment grade credit rating from any replacement Rating Agency or replacement Rating Agencies selected by the Company on any date, during the 60-day period commencing upon the earlier of (1) the first public announcement of the Change of Control or the Company’s intention to effect a Change of Control and (2) the consummation of such Change of Control, which period will be extended following consummation of a Change of Control for so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies. Unless at least one Rating Agency is providing a rating for the Notes at the commencement of any such period, the Notes will be deemed to have ceased to be rated as described above during such period.

“Remaining Scheduled Payments” shall mean, with respect to each Note to be redeemed, the remaining scheduled payments of the principal thereof and interest thereon that would be due after the related Redemption Date but for such redemption; provided, however, that, if such Redemption Date is not an Interest Payment Date with respect to such Note, the amount of the next succeeding scheduled interest payment thereon will be deemed to be reduced (solely for the purposes of this calculation) by the amount of interest accrued thereon to such Redemption Date.

“S&P” shall mean Standard & Poor’s Rating Services.

“United States Alien Holder” shall mean any beneficial owner of a Note that is not, for United States federal income tax purposes, (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or any political subdivision thereof, (iii) an estate whose income is subject to United States federal income tax regardless of its source, or (iv) a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust or if such trust has a valid election in effect under applicable U.S. Treasury regulations to be treated as a United States person.

The terms “Company,” “Trustee,” “Indenture,” “Base Indenture,” “Supplemental Indenture No. 2” and “Notes” shall have the respective meanings set forth in the preamble and recitals to this Supplemental Indenture No. 2.

ARTICLE 2 GENERAL TERMS AND CONDITIONS OF THE NOTES

Section 2.01. *Designation and Principal Amount.* The Notes may be issued from time to time upon receipt by the Trustee of an Authentication Order pursuant to Section 3.03 of the Base Indenture. The initial issue date shall be March 11, 2016. There is hereby authorized a series of Securities designated as the 2.250% Senior Notes due 2023 limited in aggregate principal amount to €500,000,000 (except for additional Notes of such series authenticated and delivered in accordance with Section 3.01 of the Base Indenture and upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to the Base Indenture).

Section 2.02. *Maturity.* The date upon which all outstanding principal of the Notes shall become due and payable, together with any accrued and unpaid interest thereon, is March 11, 2023 (the “Maturity Date”).

Section 2.03. *Payment and Appointment.* Principal of, premium, if any, and interest on the Notes will be payable at the office of the Paying Agent or, at the Company’s option, payment of interest may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the register of Holders; provided that all payments of principal, premium, if any, and interest with respect to the Notes represented by one or more Global Notes deposited with, or on behalf of, a common depository, and registered in the name of the nominee of the common depository for the accounts of Clearstream and Euroclear will be made through the facilities of the common depository. The Company undertakes that, to the extent permitted by law, the Company will maintain a Paying Agent (or a nominee of such Paying Agent) in a Member State of the European Union (if any) that will not require withholding or deduction of tax pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced to conform to, such European Council Directive.

The Paying Agent, transfer agent and Security Registrar with respect to the Notes shall initially be the Trustee.

The Notes shall be issuable in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof.

All payments of interest and principal on the Notes, including payments made upon any redemption of the Notes, will be payable in euros. If the euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company’s control or if the euro is no longer being used by the then member states of the European Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until the euro is again available to the Company or so used. The amount payable on any date in euros will be converted into U.S. dollars on the basis of the most recently available Market Exchange Rate for the euro. The Market Exchange Rate most recently available on, or prior to, the second Business Day before the relevant determination date will be the basis for determining the equivalent of euro in the currency of the United States for any purpose under the Indenture, including for purposes of the definition of “outstanding” in Section 1.01 of the Indenture. Any payment in respect of the Notes so made in U.S. dollars will not constitute an Event of Default under the Notes or the Indenture. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing.

Section 2.04. *Global Note.* The Notes shall be issued initially in the form of a global security registered in the name of the nominee of the common depository for the accounts of Clearstream and Euroclear (a “Global Note”). Deutsche Bank AG, London Branch shall initially serve as the Depository for such Global Note. Unless and until

such Global Note is exchanged for Notes in certificated form, such Global Note may be transferred, in whole but not in part, and any payments on the Notes shall be made, only to the Depository or a nominee of the Depository, or to a successor Depository selected or approved by the Company or to a nominee of such successor Depository.

Section 2.05. *Interest.* (a) The Notes will bear interest at a rate of 2.250% per annum from March 11, 2016, or from the most recent date to which interest has been paid or provided for, payable annually in arrears on March 11 of each year (each, an “Interest Payment Date”), commencing March 11, 2017 to Holders of record at the close of business on the 15th calendar day (whether or not a Business Day) immediately preceding the Interest Payment Date or, if the Notes are represented by one or more Global Notes, the close of business on the Business Day (for this purpose a day on which Clearstream and Euroclear are open for business) immediately preceding the Interest Payment Date; provided, however, that interest payable on the Maturity Date of the Notes or any Redemption Date of the Notes shall be payable to the person to whom the principal of such Notes shall be payable.

(b) Interest payable on the Notes on any Interest Payment Date, Redemption Date or Maturity Date shall be the amount of interest accrued from, and including, the next preceding Interest Payment Date in respect of which interest has been paid or duly provided for (or from and including the original issue date of the Notes, if no interest has been paid or duly provided for) to, but excluding, such Interest Payment Date, Redemption Date or Maturity Date, as the case may be. This payment convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Markets Association. If any Interest Payment Date falls on a day that is not a Business Day, the interest payment will be made on the next succeeding day that is a Business Day, but no additional interest will accrue as a result of the delay in payment. If the Maturity Date or any Redemption Date of the Notes falls on a day that is not a Business Day, the related payment of principal, premium, if any, and interest will be made on the next succeeding Business Day as if it were made on the date such payment was due, and no interest will accrue on the amounts so payable for the period from and after such date to the next succeeding Business Day. The rights of holders of beneficial interests in Notes to receive the payments of interest on such Notes are subject to the applicable procedures of Euroclear and Clearstream.

Section 2.06. *No Sinking Fund.* The Notes are not entitled to the benefit of any sinking fund.

Section 2.07. *No Guarantee.* The Notes will not be guaranteed by any Person or Persons.

ARTICLE 3 REDEMPTION OF THE NOTES

Section 3.01. *Optional Redemption by Company.* (a) At any time prior to December 11, 2022, the Company shall have the right at its option to redeem the Notes, as a whole or in part, at a redemption price (the “Make-Whole Redemption Price”) equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed; and

(ii) the sum of the present values of the Remaining Scheduled Payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued as of the date of redemption) discounted to the date of redemption on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate plus 40 basis points;

together with, in each case, accrued and unpaid interest on the principal amount of the Notes to be redeemed to, but not including, the Redemption Date.

With respect to any redemption occurring prior to December 11, 2022, the Company shall give the Trustee notice of the Make-Whole Redemption Price promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation.

(b) At any time on or after December 11, 2022, the Company shall have the right at its option to redeem the Notes, as a whole or in part, at a redemption price (the “Par Redemption Price” and together with the Make-Whole Redemption Price, each an “Optional Redemption Price”) equal to 100% of the principal amount of the Notes to be redeemed; plus, accrued and unpaid interest, if any, on the principal amount of the Notes to be redeemed to, but excluding, the Redemption Date.

(c) Unless the Company defaults in payment of the Optional Redemption Price, on and after the Redemption Date, interest will cease to accrue on the applicable Notes or portions thereof called for redemption. On or before the Redemption Date, the Company will deposit with the Paying Agent or set aside, segregate and hold in trust (if the Company is acting as Paying Agent), funds sufficient to pay the Optional Redemption Price of, and accrued and unpaid interest on, such Notes to be redeemed on that Redemption Date. If fewer than all of the Notes are to be redeemed, the Trustee will select, not more than 60 days prior to the Redemption Date, the particular Notes or portions thereof to be redeemed from the outstanding Notes not previously called for redemption in accordance with the procedures of Euroclear and Clearstream; provided that if the Notes are represented by one or more Global Notes, beneficial interests in the Notes will be selected for redemption by Euroclear and Clearstream in accordance with their respective standard procedures therefor; provided, however, that no Notes of a principal amount of €100,000 or less shall be redeemed in part.

(d) The Company may redeem the Notes prior to the Maturity Date in whole, but not in part, at a redemption price equal to 100% of their principal amount plus any accrued interest and additional amounts to, but not including, the date fixed for redemption if the Company determines that, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the United States or of any political subdivision or taxing authority thereof or therein affecting taxation, or any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced and becomes effective on or after the date of issuance of the Notes, the Company has or will become obligated to pay additional amounts with respect to the Notes as set forth in Article 5 hereof. If the Company exercises its option to redeem the Notes pursuant to this clause (d), the Company will deliver to the Trustee a certificate signed by an authorized officer stating that the Company is entitled to redeem the Notes and an opinion of independent tax counsel to the effect that the circumstances described above exist.

(e) The Company will mail (or otherwise transmit in accordance with the applicable procedures of Euroclear or Clearstream) notice of such redemption to the registered address of each Holder of the Notes to be redeemed not less than 30 nor more than 60 days prior to the Redemption Date.

Section 3.02. *No Other Redemption.* Except as set forth in Section 3.01, the Notes shall not be redeemable by the Company prior to the Maturity Date. The provisions of this Article 3 shall supersede any conflicting provisions contained in Article 11 of the Base Indenture.

ARTICLE 4 CHANGE OF CONTROL TRIGGERING EVENT

Section 4.01. *Change of Control Triggering Event.* (a) If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem the Notes, the Company shall make an offer (the "Change of Control Offer") to repurchase all or, at the Holder's option, any part (equal to €100,000 or any multiple of €1,000 in excess thereof) of each Holder's Notes at 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of purchase (the "Change of Control Purchase Price") in accordance with the procedures set forth in this Section 4.01.

(b) Within 30 days following any Change of Control Triggering Event or, at the Company's option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, the Company shall make the Change of Control Offer by mailing, or causing to be mailed, a notice to all Holders of Notes (with a copy mailed to the Trustee) describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase such Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed. The notice, if mailed prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to such payment date.

(c) On the payment date of the Change of Control Purchase Price as specified in the notice, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(d) The Paying Agent shall promptly mail to each Holder who properly tendered Notes pursuant to the Change of Control Offer, the Change of Control Purchase Price for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each new Note will be in a principal amount of €100,000 or a multiple of €1,000 in excess thereof.

(e) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for a Change of Control Offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer. In the event that such third party terminates or defaults on its offer, the Company shall make a Change of Control Offer treating the date of such termination or default as though it were the date of such Change of Control Triggering Event.

(f) The Company will not repurchase any Notes if there has occurred and is continuing on the relevant payment date an Event of Default under the Indenture, other than a default in the payment of the Change of Control Purchase Price upon a Change of Control Triggering Event.

(g) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provision of any such securities laws or regulations conflicts with the offer provisions in respect of a Change of Control of the Notes, the Company will comply with those securities laws and regulations and will not be deemed to have breached its obligations under such offer provisions by virtue of any such conflict.

ARTICLE 5 PAYMENT OF ADDITIONAL AMOUNTS

Section 5.01. *Payment of Additional Amounts.* The Company will, subject to the exceptions and limitations set forth below, pay to or on account of a beneficial owner of a Note who is not a United States person for U.S. federal income tax purposes such additional amounts as may be necessary to ensure that every net payment by the Company of the principal of and interest on such Note, after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon or as a result of such payment, by the United States or any political subdivision or taxing authority of the United States, will not be less than the amount that would have been payable had no such deduction or withholding been required. However, the Company will not pay additional amounts for or on account of:

(i) any such tax, assessment or other governmental charge which would not have been so imposed but for (i) the existence of any present or former connection between the Holder or beneficial owner of a Note (or between a fiduciary, settlor, beneficiary, member or shareholder of such person, if such person is an estate, a trust, a partnership or a corporation) and the United States, including, without limitation, such person (or such fiduciary, settlor, beneficiary, member or shareholder) being or having been a citizen or resident thereof or being or having been engaged in a trade or business or present therein or having, or having had, a permanent establishment therein or (ii) the presentation, where required, by the Holder of any such Note for payment on a date more than 15 calendar days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(ii) any estate, inheritance, gift, sales, transfer or personal property tax or any similar tax, assessment or governmental charge;

(iii) any tax, assessment or other governmental charge imposed by reason of the Holder or beneficial owner's past or present status as a personal holding company or foreign personal holding company or controlled foreign

corporation or passive foreign investment company for U.S. federal income tax purposes or as a corporation which accumulates earnings to avoid United States federal income tax or as a private foundation or other tax-exempt organization;

(iv) any tax, assessment or other governmental charge which is payable otherwise than by withholding from payments on or in respect of any Note;

(v) any tax, assessment or other governmental charge which would not have been imposed but for the failure to comply with certification, information or other reporting requirements concerning the nationality, residence or identity of the Holder or beneficial owner of such Note, if such compliance is required by statute or by regulation of the United States or of any political subdivision or taxing authority thereof or therein as a precondition to relief or exemption from such tax, assessment or other governmental charge;

(vi) any tax, assessment or other governmental charge that would not have been imposed but for a failure by the Holder or beneficial owner (or any financial institution through which the Holder or beneficial owner holds any Note or through which payment on the Note is made) to comply with any certification, information, identification, documentation or other reporting requirements (including entering into and complying with an agreement with the Internal Revenue Service) imposed pursuant to, or complying with any requirements imposed under an intergovernmental agreement entered into between the United States and the government of another country in order to implement the requirements of, Sections 1471 through 1474 of the Internal Revenue Code as in effect on the date of issuance of the Notes or any successor or amended version of these provisions, to the extent such successor or amended version is not materially more onerous to comply with than these provisions as enacted on such date;

(vii) any tax, assessment or other governmental charge imposed by reason of such beneficial owner's past or present status as the actual or constructive owner of 10% or more of the total combined voting power of all classes of stock entitled to vote of the Company or as a direct or indirect affiliate of the Company;

(viii) any tax, assessment or other governmental charge required to be deducted or withheld by any Paying Agent from a payment on a Note upon presentation of such Note, where required, if such payment can be made without such deduction or withholding upon presentation of such Note, where required, to any other Paying Agent; or

any combination of two or more of items (i), (ii), (iii), (iv), (v), (vi), (vii) and (viii)

, nor shall additional amounts be paid with respect to any payment on a Note to a United States Alien Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of the United States (or any political subdivision thereof) to be included in the income, for tax purposes, of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of the Note.

REVERSE OF NOTE

This Note is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture (the “Original Indenture”), dated as of March 11, 2016, between the Company and Deutsche Bank Trust Company Americas, as Trustee (herein called the “Trustee”, which term includes any successor trustee), as amended and supplemented by Supplemental Indenture No. 1, dated as of March 11, 2016, between the Company and the Trustee (“Supplemental Indenture No. 1”; the Original Indenture, as so amended and supplemented, the “Base Indenture”) and as further supplemented by Supplemental Indenture No. 2, dated as of March 11, 2016, between the Company and the Trustee (“Supplemental Indenture No. 2,”; the Base Indenture as so further supplemented, the “Indenture”), to which Indenture reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to €500,000,000.

All terms used in this Note that are defined in the Indenture shall have the meaning assigned to them in the Indenture.

Principal of, premium, if any, and interest on the Notes will be payable at the office of the Paying Agent or, at the Company’s option, payment of interest may be made by check mailed to the Holders of the Notes at their respective addresses set forth in the register of Holders; provided that all payments of principal, premium, if any, and interest with respect to the Notes represented by one or more Global Notes deposited with, or on behalf of, a common depository, and registered in the name of the nominee of the common depository for the accounts of Clearstream and Euroclear will be made through the facilities of the common depository. The Company undertakes that, to the extent permitted by law, the Company will maintain a Paying Agent in a Member State of the European Union (if any) that will not require withholding or deduction of tax pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced to conform to, such European Council Directive.

The Paying Agent, transfer agent and Security Registrar with respect to the Notes shall initially be the Trustee.

The Notes shall be issuable in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof.

All payments of interest and principal on the Notes, including payments made upon any redemption of the Notes, will be payable in euros. If the euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company’s control or if the euro is no longer being used by the then member states of the European Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until the euro is again available to the Company or so used. The amount payable on any date in euros will be converted into U.S. dollars on the basis of the most recently available Market Exchange Rate for the euro. The Market Exchange Rate most recently available on, or prior to, the second Business Day before the relevant determination date will be the basis for determining the equivalent of euro in the currency of the United States for any purpose under the Indenture, including for purposes of the definition of “outstanding” in Section 1.01 of the Indenture. Any payment in respect of the Notes so made in U.S. dollars will not constitute an Event of Default under the Notes or the Indenture. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing.

The Notes of this series are not entitled to the benefit of any sinking fund.

At any time prior to December 11, 2022, the Company shall have the right at its option to redeem the Notes, as a whole or in part, at a redemption price (the “Make-Whole Redemption Price”) equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed; and

(ii) the sum of the present values of the Remaining Scheduled Payments of principal and interest on the Notes to be redeemed (not including any portion of such payments of interest accrued as of the date of redemption) discounted to the date of redemption on an annual basis (ACTUAL/ACTUAL (ICMA)) at the applicable Comparable Government Bond Rate plus 40 basis points; together with, in each case, accrued and unpaid interest on the principal amount of the Notes to be redeemed to, but not including, the Redemption Date.

At any time on or after December 11, 2022, the Company shall have the right at its option to redeem the Notes, as a whole or in part, at a redemption price (the “Par Redemption Price” and together with the Make-Whole Redemption Price, each an “Optional Redemption Price”) equal to 100% of the principal amount of the Notes to be redeemed; plus, accrued and unpaid interest, if any, on the principal amount of the Notes to be redeemed to, but excluding, the Redemption Date.

“Comparable Government Bond” shall mean, in relation to any Comparable Government Bond Rate calculation, at the discretion of an independent investment bank selected by the Company, a German government bond whose maturity is closest to the maturity of the Notes to be redeemed, or if such independent investment bank in its discretion determines that such similar bond is not in issue, such other German government bond as such independent investment bank may, with the advice of three brokers of, and/or market makers in, German government bonds selected by the Company, determine to be appropriate for determining the Comparable Government Bond Rate.

“Comparable Government Bond Rate” shall mean the yield to maturity, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards), on the third Business Day prior to the date fixed for redemption, of the Comparable Government Bond (as defined below) on the basis of the middle market price of the Comparable Government Bond prevailing at 11:00 a.m. (London time) on such Business Day as determined by an independent investment bank selected by the Company.

“Remaining Scheduled Payments” shall mean, with respect to each Note to be redeemed, the remaining scheduled payments of the principal thereof and interest thereon that would be due after the related Redemption Date but for such redemption; provided, however, that, if such Redemption Date is not an Interest Payment Date with respect to such Note, the amount of the next succeeding scheduled interest payment thereon will be deemed to be reduced (solely for the purposes of this calculation) by the amount of interest accrued thereon to such Redemption Date.

The Company may redeem the Notes prior to the Maturity Date in whole, but not in part, at a redemption price equal to 100% of their principal amount plus any accrued interest and additional amounts to, but not including, the date fixed for redemption if the Company determines that, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the United States or of any political subdivision or taxing authority thereof or therein affecting taxation, or any change in, or amendment to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced and becomes effective on or after the date of issuance of the Notes, the Company has or will become obligated to pay additional amounts with respect to the Notes as set forth in Article 5 of Supplemental Indenture No. 2. If the Company exercises such option to redeem the Notes, the Company will deliver to the Trustee a certificate signed by an authorized officer stating that the Company is entitled to redeem the Notes and an opinion of independent tax counsel to the effect that the circumstances described above exist.

If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem the Notes, the Company shall make an offer (the “Change of Control Offer”) to repurchase all or, at the Holder’s option, any part (equal to €100,000 or any multiple of €1,000 in excess thereof) of each Holder’s Notes at 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of purchase (the “Change of Control Purchase Price”) in accordance with the procedures set forth herein and in Supplemental Indenture No. 2.

Within 30 days following any Change of Control Triggering Event or, at the Company’s option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, the Company shall make the Change of Control Offer by mailing, or causing to be mailed, a notice to all Holders of Notes (with a copy mailed to the Trustee) describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase such Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed. The notice, if mailed prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to such payment date.

On the payment date of the Change of Control Purchase Price as specified in the notice, the Company shall, to the extent lawful:

- (i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;
- (ii) deposit with the Paying Agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer; and
- (iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent shall promptly mail to each Holder who properly tendered Notes pursuant to the Change of Control Offer, the Change of Control Purchase Price for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each such Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each new Note will be in a principal amount of €100,000 or a multiple of €1,000 in excess thereof.

The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for a Change of Control Offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer. In the event that such third party terminates or defaults on its offer, the Company shall make a Change of Control offer treating the date of such termination or default as though it were the date of such Change of Control Triggering Event.

The Company will not repurchase any Notes if there has occurred and is continuing on the relevant payment date an Event of Default under the Indenture, other than a default in the payment of the Change of Control Purchase Price upon a Change of Control Triggering Event.

The Company will, subject to the exceptions and limitations set forth below, pay to or on account of a beneficial owner of a Note who is not a United States person for U.S. federal income tax purposes such additional amounts as may be necessary to ensure that every net payment by the Company of the principal of and interest on such Note, after deduction or withholding for or on account of any present or future tax, assessment or other governmental charge imposed upon or as a result of such payment, by the United States or any political subdivision or taxing authority of the United States, will not be less than the amount that would have been payable had no such deduction or withholding been required. However, the Company will not pay additional amounts for or on account of:

- (i) any such tax, assessment or other governmental charge which would not have been so imposed but for (i) the existence of any present or former connection between the Holder or beneficial owner of a Note (or between a fiduciary, settlor, beneficiary, member or shareholder of such person, if such person is an estate, a trust, a partnership or a corporation) and the United States, including, without limitation, such person (or such fiduciary, settlor, beneficiary, member or shareholder) being or having been a citizen or resident thereof or being or having been engaged in a trade or business or present therein or having, or having had, a permanent establishment therein or (ii) the presentation, where required, by the Holder of any such Note for payment on a date more than 15 calendar days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (ii) any estate, inheritance, gift, sales, transfer or personal property tax or any similar tax, assessment or governmental charge;
- (iii) any tax, assessment or other governmental charge imposed by reason of the Holder or beneficial owner's past or present status as a personal holding company or foreign personal holding company or controlled foreign corporation or passive foreign investment company for U.S. federal income tax purposes or as a corporation which accumulates earnings to avoid United States federal income tax or as a private foundation or other tax-exempt organization;

(iv) any tax, assessment or other governmental charge which is payable otherwise than by withholding from payments on or in respect of any Note;

(v) any tax, assessment or other governmental charge which would not have been imposed but for the failure to comply with certification, information or other reporting requirements concerning the nationality, residence or identity of the Holder or beneficial owner of such Note, if such compliance is required by statute or by regulation of the United States or of any political subdivision or taxing authority thereof or therein as a precondition to relief or exemption from such tax, assessment or other governmental charge;

(vi) any tax, assessment or other governmental charge that would not have been imposed but for a failure by the Holder or beneficial owner (or any financial institution through which the Holder or beneficial owner holds any Note or through which payment on the Note is made) to comply with any certification, information, identification, documentation or other reporting requirements (including entering into and complying with an agreement with the Internal Revenue Service) imposed pursuant to, or complying with any requirements imposed under an intergovernmental agreement entered into between the United States and the government of another country in order to implement the requirements of, Sections 1471 through 1474 of the Internal Revenue Code as in effect on the date of issuance of the Notes or any successor or amended version of these provisions, to the extent such successor or amended version is not materially more onerous to comply with than these provisions as enacted on such date;

(vii) any tax, assessment or other governmental charge imposed by reason of such beneficial owner's past or present status as the actual or constructive owner of 10% or more of the total combined voting power of all classes of stock entitled to vote of the Company or as a direct or indirect affiliate of the Company;

(viii) any tax, assessment or other governmental charge required to be deducted or withheld by any Paying Agent from a payment on a Note upon presentation of such Note, where required, if such payment can be made without such deduction or withholding upon presentation of such Note, where required, to any other Paying Agent; or

any combination of two or more of items (i), (ii), (iii), (iv), (v), (vi), (vii) and (viii)

, nor shall additional amounts be paid with respect to any payment on a Note to a United States Alien Holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of the United States (or any political subdivision thereof) to be included in the income, for tax purposes, of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to the additional amounts had such beneficiary, settlor, member or beneficial owner been the Holder of the Note.

Except as specifically provided in Article 5 of Supplemental Indenture No. 2, the Company will not be required to make any payment for any tax, assessment or other governmental charge imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision.

The Indenture contains provisions for defeasance of the obligations of the Company at any time upon compliance by the Company with certain conditions set forth therein, which provisions apply to the Notes of this series.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Notes of each series affected thereby and at the time Outstanding. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes of a series at the time Outstanding, on behalf of the Holders of all Notes of such series, to waive certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Securities, other than exchanges pursuant to Sections 3.04, 3.06, 9.06 and 11.07 of the Base Indenture.

Prior to due presentment of this Note for registration of transfer, and except as provided for in the Indenture, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Notes of this series are issuable in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series of a different authorized denomination, as requested by the Holder surrendering the same.

THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

Re: Xylem Inc.
Registration Statement on Form S-3 (File No. 333-207672)

Ladies and Gentlemen:

We have acted as counsel to Xylem Inc., an Indiana corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") of a Registration Statement on Form S-3, file no. 333-207672 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Securities Act"), the prospectus included therein, the preliminary prospectus supplement, dated March 4, 2016, filed with the Commission on March 4, 2016 pursuant to Rule 424(b) of the Securities Act (the "Preliminary Prospectus Supplement"), the final prospectus supplement, dated March 4, 2016, filed with the Commission on March 8, 2016 pursuant to Rule 424(b) of the Securities Act (the "Final Prospectus Supplement") and, collectively with the Preliminary Prospectus Supplement, the "Prospectus Supplement") and the offering by the Company pursuant thereto of €500,000,000 principal amount of the Company's 2.250% Senior Notes due 2023 (the "Notes").

The Notes have been issued pursuant to the Indenture, dated as of March 11, 2016 (the "Base Indenture"), between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), as modified by Supplemental Indenture No. 1 pursuant to Section 9.01(c) of the Base Indenture, dated as of March 11, 2016 (the "First Supplemental Indenture"), and as further modified in respect of the Notes by the Supplemental Indenture No. 2 pursuant to Sections 3.01 and 9.01(g) of the Base Indenture dated March 11, 2016 (the "Second Supplemental Indenture"), and together with the Base Indenture and the First Supplemental Indenture, the "Indenture") between the Company and the Trustee.

In arriving at the opinion expressed below, we have examined originals, or copies certified or otherwise identified to our satisfaction as being true and complete copies of the originals, of the Base Indenture, the Supplemental Indenture, and the Notes and such other documents, corporate records, certificates of officers of the Company and of public officials and other instruments as we have deemed necessary or advisable to enable us to render this opinion. In our examination, we have assumed, without independent investigation, the genuineness of all

signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. As to any facts material to this opinion, we have relied to the extent we deemed appropriate and without independent investigation upon statements and representations of officers and other representatives of the Company and others.

Based upon the foregoing, and subject to the assumptions, exceptions, qualifications and limitations set forth herein, we are of the opinion that, assuming the Company is validly existing and has all requisite power to execute, deliver and perform its obligations under, and has duly executed and delivered, the Base Indenture, the First Supplemental Indenture and the Second Supplemental Indenture and the certificates evidencing the global Notes (collectively, the "Specified Note Documents"), and the Trustee has duly authorized and validly executed and delivered the Specified Note Documents, and the Notes have been authenticated in accordance with the terms of the Indenture, the Notes are legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.
